GOOD ADVICE IN KIDNEY TROUBLE

I have been troubled with my kidneys for many years. One day I could hardly move, and someone told me to get a bottle of Dr. Kilmer's Swamp-Root, which I did, and in a few days I was all right. About seven years ago I was in such a condition that my children had to lift me out of bed. I wanted Swamp-Root, but didn't get a doctor. I sent for Swamp-Root and didn't take the doctor's medicine; Swamp-Root did the work. Swamp-Root is the remedy, if the kidneys are ever out of order again.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You. Send ten cents to Dr. Kilmer & Co., Binghamton, N. Y. for a sample size bottle. It will convince anyone. You will also receive a booklet of valuable information, telling about the kidneys and bladder. When writing, be sure and mention the Harrisburg Daily Telegraph. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

STOP COUGHING

Mr. Andor Kiss, No. 818 Clinton Place, Kansas City, Mo., writes: "I cannot thank you enough for being cured. For seven long years I doctored steadily for my catarrh and cough, which cost me hundreds of dollars. But my cough grew worse all the time. Even though I was under the treatment of some of the most famous doctors, I still had a terrible cough and thought sometimes that I would choke. I could get no air. I then bought a bottle of Peruna, and that evening and all night my wife gave it to me according to the directions, and I felt better the following day already. Three days later I felt much improved, and today, after the use of the fourth bottle, I feel entirely cured. I can conscientiously recommend your grand medicine to every citizen."

A Good Cough Tablet. There are people who object to taking fluid medicines. For such people the Peruna Tablets are especially valuable. They are convenient to carry in the pocket.

Everyone Admires This Good-Looking Woman

Wherever you go you hear people comment upon a pretty woman and it is really her beautiful hair more than perfect features that gives her the appearance of charm, youth and beauty. Any woman can merit this praise, for beautiful hair is only a matter of care. Just as a plant needs attention and nourishment, so must the hair have care and nutriment to make it grow long, thick, soft, fluffy and lustrous. The scalp must be free from dandruff, and the hair roots properly nourished, as nature intended. Parisian Sage, which is delicately perfumed and easily applied, is just what is needed. It tones up and invigorates the roots of the hair and furnishes the necessary elements to make it grow long, soft, abundant and full of life.
