

"The Thinkers of the Country Are the Tobacco Chewers"-

said one of the greatest thinkers this country ever produced.

Says the Pilot:

"Nosing a big stern wheeler along a muddy river with sandbars reaching up to grab herthat's when you need real steadiness. When there's nothing but your judgment between your boat and a shoal, take a chew of PICNIC TWIST.'

In every convenient twist of PICNIC you'll find the true tobacco uplift without the letdown that comes from dark, heavy, rank tobacco. PICNIC TWIST

is a light colored, soft twist of the mild, mellow parts of the leaf.

Men accustomed to "strong" tobacco will be surprised how much they can chew of this mellow twist with its sweet, lasting taste.

"The Thinkers of the Country Are the Tobacco Chewers"

It comes, also, in economical, freshness-preserving drums of 11 twists for 50c.

Judges of the Superior Court His Guests at the Executive Mansion Last Night

Governor Brumbaugh gave his first official dinner last night when the judges of the Superior Court were his guests. The decorations were pink roses and ferns which were most attractively arranged. In line with the Governor's well-known temperance ideas there were no liquors served. The guests included the judges, Judges George Kunkel and S. J. M. McCarrell, Harrisburg: Lieutenant Governor Frank B. McClain, Secretary of the Commonwealth Cyrus E. Woods, Attorney General Francis Shunk Brown, Auditor General A. W. Powell, William Jennings, the banker; Senator E. E. Beidleman, Attorney John A. Herman, President Pro Tem. Charles H. Kline, Speaker Charles A. Ambler and Secretary James S. Hiatt.

Quarantine Will Not Affect Beef Supply

According to the statement of a number of local butchers and meat dealers, the supply of beef in Harrisburg is not materially affected by the recent order of the Attorney General of Pennsylvania prohibiting railroads from hauling cattle from Chicago into or through the State.

Cattle are obtained in sufficient quantities from other stockyards in the West that are considered free from the danger of the foot and mouth disease.

Band Association Will Complete Organization

At a meeting to be held at 225 Market street Thursday night, the Harrisburg Municipal Band Concert Association will be permanently organized. On suggestion from the Harrisburg Chamber of Commerce, invitations have been sent to local musical organizations, asking them to send a representative to the meeting. A communication will also be read from the Chamber of Commerce as to what they will do to aid the new project.
