HOUSE FOR POPULAR ELECTION OF TREASURER

(Continued from First Page.)

The act had been held in committee for criticism of all concerned during the last session and every opportunity accorded for amendment and the work of the last legislature should be sustained, declared Mr. Spangler, York, The York man also said that the treasurer was merely custodian of the funds and voted a strenuous objection against what he termed dislocation of the work of the last legislature. He imputed selfish motives to Mr. Rindinger.

Give Gov't to People
Mr. Sarig, Berks, demanded that the House take steps to give government back to the people and that they should be given more chance to elect. To this Mr. Spangler retorted that the Democrats should talk to the President of the United States about giving government back to the people.

Mr. Rindinger in answer to Mr. Spangler declared he had no selfish motives and if he had would not try to satisfy them by a bill in the Legislature. This bill has the support of the citizens of Altoona and of other places," said he.

Messrs. Sones, Schuykill; Gibson, Lycoming and Ramsey, Delaware, spoke against the bill and Mr. Maurer, Berks, in favor of it. Mr. Ramsey said he did not think for a minute that Mr. Rindinger had any selfish motive, but insisted that inasmuch as the advocates of commission government had "forced" the act on the State last session and the very same people are now trying to turn it all over again, he thought the act should be allowed to stand until it has proved its worth. During the debate Messrs. Garner and Sones had a tilt over their confidence in the people.

Dauphin Vote For Bill
Mr. Spangler wound up the discussion by declaring that the third-class city legislative committee did not include Rindinger's bill in its proposed amendments.

On the vote of all the Dauphin members voted in favor of the bill.

GERMANS WERE FORCED BACK

By Associated Press
Petrograd, March 9. — "The Germans explain their retreat from Great (Northern Russian Poland) by the necessity of employing their armies there for other operations," says a statement issued last night by the Official Press Bureau. "As a matter of fact, the German retreats are the result of continuing pressure in conformity with the orders of February 28, which were occasioned by the German retreats on February 27. Then the complete defeat of a well-armed army corps was a well-established fact."

WHAT SCIATICA IS

There is something terrifying about the word sciatica. Yet sciatica is nothing but neuralgia of the sciatic nerve and neuralgia is an inflammation caused by lack of nourishment. Application of dry heat as hot sand bags or flannel to the course of the inflamed nerve often relieves the pain but it does not feed the nerve. It is temporary relief, a good thing to know about, but not a remedy.

What causes the nerve starvation that results in neuralgia and sciatica and how may it be corrected? The most common cause is a run-down physical system and a frequent exciting cause is exposure to cold. Thin blood is often at fault. It is through the blood that the nerves get their nourishment. Mortal man knows of no other way of getting nourishment to a nerve. Therefore when the blood gets thin and fails to feed the nerves they show their resentment by becoming inflamed. Try Dr. Williams' Pink Pills at this stage and see how the inflammation subsides as the enriched blood carries to the starved nerves the elements they need.

Vest Pocket Remedy That Quickly Ends Indigestion
At What You Please and Never Fear After-Distress. There is a perfectly safe and sure way for you to eat whatever your stomach craves and do it over again the next day. Many will say, "How I wish I could eat that, but I have tried and every time it nearly kills me." People get in a condition like this only because they are not taking proper care of their stomach. Every stomach has a lot of work to perform in digesting the food and if crowded with extra labor it rebels and kicks up a fearful disturbance. There is a simple, harmless, inexpensive and most effective prescription easily obtained at any drug store called Mi-o-na that will quickly stop this disturbance. These little vest pocket Mi-o-na Stomach Tablets were especially prepared to regulate out-of-order stomachs. They not only help the over-worked digestive organs by increasing the flow of gastric juices, but surely and safely build up and strengthen the stomach walls so that the stomach can care of the food as nature intended. It's needless for you to suffer with indigestion, heartburn, biliousness, sour, fatty or upset stomach, for Mi-o-na will give prompt and lasting relief every time. Do not delay, but get some of these indigestion ending tablets from H. C. Kennedy or other leading druggist to-day. The Bricklayer [From the Russian of V. Brussoff.] "Bricklayer, bricklayer, what are you bending there high, in the gale?" "Hey, don't disturb us, we're busily working." "We're building, we're building, a gale." "Bricklayer, bricklayer, wielding the trowel—Who shall there helplessly reel?" "None of the kin of your rich, wealthy brethren—Nothing compels you to steal." "Bricklayer, bricklayer, weeping and groaning, Who shall there wallow till late?" "Maybe my son, who's a toiler as I am; Such is the workingman's fate." "Bricklayer, bricklayer, maybe he'll curse then These walls he helps to swell?" "Hey there! Beware of the scaffold! Be silent— I know it, I know it too well." Elbert Aldline in The Survey.
