President Kennedy on Full Crew Law Repeal

President Kennedy, of the Cumberland Valley railroad, today made the following statement in regard to the petition for the repeal of the full crew bill. "In the State of Pennsylvania the Cumberland Valley railroad company employs, exclusive of those directly engaged in train and yard service, 1146 persons. After making the necessary allowance for employees under age and those in the interest of the property, being practically 100 per cent.

"In addition to these employees, 6,211 citizens of Franklin and Cumberland counties have so far signed the petitions circulated in the interest of the Cumberland Valley railroad. With the similar petitions signed in other parts of the Valley through the efforts of those interested in the Pennsylvania, Philadelphia and Reading and Western Maryland companies it is expected that over 50 per cent. of the entire voting strength of Cumberland and Franklin counties will have signed these requests for the repeal of this full crew bill.

"The Cumberland Valley railroad has never hesitated to spend money to provide all necessary improvements and appliances to safeguard the lives of its passengers, employees and of the public, and can be relied upon to always man its trains with the necessary number of employees."
