CATLIN PROPOSES ELECTION FEATURE

Man Running For Mayor of Third Class City and Getting 51 Per Cent. of Vote Wins

Senator Sterling R. Catlin, of Wilkes-Barre, last night presented a bill that will give third class cities the chance to have one candidate for mayor. The act is somewhat like the nonpartisan act for Pittsburgh. It provides that when a candidate gets 51 per cent. of the total vote cast at the primary he shall be the sole candidate at the election for mayor.

The Senate held a short session, at which these bills came in:

By Senator McNichol, Philadelphia—Increasing from \$2 to \$2.25 the allowance to be paid by the state to municipalities or counties for the care and treatment of indigent insane.

Mr. Martin, Cumberland—Providing for the protection of fruit trees and bees by making it unlawful to spray trees, shrubs, bushes or plants of fruit bearing kinds while in bloom.

Mr. Snyder, Schuylkill—Providing that any registered osteopath who has been engaged in the practice of osteopathy in Pennsylvania for eight continuous years prior to the passage of the act shall be licensed to practice osteopathy.

Mr. Burke, Allegheny—Making it unlawful for oil dealers to mix high-grade petroleum oil produced in Pennsylvania and designated as Pennsylvania oil or its byproducts with any inferior petroleum oil or its byproducts and sell or permit such admixture to be sold as high-grade petroleum oil or as its byproducts produced in Pennsylvania. The bill further provides that persons dealing in refined high-grade petroleum oil and designated as Pennsylvania oil shall label each package or container as "high-grade petroleum oil."

NEW HOTEL AT HAGERSTOWN Hagerstown, Md., March 10.—Mayor J. McPherson Scott, of this city, one of the owners of the City Hotel here, stated that a western hotel syndicate is negotiating for the hotel property for a site for a modern ten-story hotel. The price at which the property will probably change hands is \$140,000. The proposed new hotel will cost about \$300,000.

MOTHER! GIVE CROSS SICK CHILD ONLY "CALIFORNIA SYRUP OF FIGS"

If peevish, feverish, tongue coated, give "fruit laxative" at once

No matter what ails your child a laxative should be the first treatment given.

Look at the tongue, mother! If coated, it is a sure sign your "little one's" stomach, liver and bowels need a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in just a few hours all

the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels and you have a well, playful child again. Sick children needn't be coaxed to take this harmless fruit laxative. Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given to-day saves a sick child to-morrow.

Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.—Advertisement.

BILLS FINALLY GET INTO THE SESSION

Committee of Seventy's Efforts Did Not Get Much Attention at the Capitol

The election law amendments drafted by the Committee of Seventy of Philadelphia, which sought a sponsor for about twenty-four laws, finally got into the House yesterday afternoon about 5 o'clock. They were introduced by Mr. Graham, Philadelphia, by request. They provide as follows:

Requiring voters to mark every candidate for whom they desire to cast a ballot. Making 2 per cent. of the primary vote the basis for giving a party the right to nominate candidates at primaries. Providing that loss of both hands or blindness shall be only causes for a voter to ask assistance and requiring affidavits to be filed.

Mr. Graham also presented a bill for a single council of fifteen, to be elected at large, in Philadelphia, councilmen to be paid \$5,000 annually.

Bills were introduced as follows: By Mr. Wildman, Dauphin—Appropriating \$617.31 to pay judgment obtained against the State by Robert Stewart for work in the Capitol.

Mr. Schaeffer, Schuylkill—Making a burgess eligible to succeed himself. Mr. Wyle, Allegheny—Permitting poor districts or counties to unite in institutions for care of indigent children.

Mr. Hamilton, Allegheny—Providing a uniform rate of assessment and taxation for all realty in second class cities.

Mr. Walter, Franklin—Appropriating \$10,000 for education of blind children under the school code.

Mr. Jones, Susquehanna—Appropriating \$459,000 for the State Institution for the Criminal Insane for buildings, etc.

Mr. Curry, Philadelphia—Requiring all persons buying gold or silver for smelting purposes to take out licenses from county commissioners and to keep records of their transactions. The bill is backed by the Philadelphia police department.

Mr. Baldwin, Delaware—Requiring foreign insurance companies to designate insurance commissioner as agent upon whom legal papers may be served.

Mr. Cromer, Allegheny—Making it unlawful for any person to compel the vaccination of any other person or to prevent any child not vaccinated from attending any public or other school.

Mr. Stein, Allegheny—Providing for registration of ownership of real estate in second class cities.

Mr. Stern, Philadelphia—Fixing salary of district attorney in counties having over 120,000 population at \$12,000 and for appointment of three assistants at \$6,000 each, three at \$5,000, three at \$4,000 and three at \$3,000.

Mr. McVicar, Philadelphia—Providing for appeal to Superior Court from action of common pleas court on a certiorari from Allegheny county court.

Mr. Stein, Allegheny—Requiring copies of bills, legislative calendars and journals to file libraries in counties having over 50,000 population. The bill to give all Philadelphia high schools right to confer degrees was defeated. The House passed finally: Providing that judges of the Superior Court shall not lose priority of

HARRISBURG MEN END BILL CAREER

Plumbers Not in Favor of the Proposed Municipal Inspection of Steamfitting

The bill to provide for a bureau of steam fitting inspection in third class cities was negated late yesterday afternoon by the House municipal affairs committee after a delegation of Harrisburg plumbers and steamfitters had set forth objections to it. Several Harrisburg officials had already joined with men from other places in opposing the bill.

Other bills negated were the Brownlee bill, to forbid trespassing on the lands of water companies, and the bill to prevent frauds on keepers of hospitals and sanatoria.

Representative Charles J. Roney, Dr. J. M. Baldy, president of the State Bureau of Medical Education, and Otto Houseman, Philadelphia, optometrist, combined to make an interesting close to the hearing of the House health and sanitation committee on the drugless healers and optometry bills. The hearing had been marked by clashes between medical men and the optometrists and drugless practitioners all afternoon and Mr. Houseman in the course of some remarks said that Dr. Baldy had told him that Judge Robert N. Willson, of Philadelphia, who had decided the optometry case against the State Bureau, was approaching his second childhood and that Judge C. Y. Audenreid did not know anything about it. Dr. Baldy interrupted to say that he had not said the judge was approaching his second childhood and declared that he had said he was already in it. This remark, he charged, was made in a private conversation and he did not expect to hear it repeated. Mr. Roney at once took the floor and called the doctor to task. Earlier in the hearing the interchange between Dr. Weaver, prominent oculist, and Representative Dunn and others caused Representative T. P. McNichol to protest.

The whole hearing was marked by interchanges. Assistant District Attorney J. B. Rogers and Dr. S. Lewis McAlister, of this city, president of the State Medical Society.

Probe Asked For the Mileage Book in House Investigation of the mileage book incident in the House on Monday night when Mr. Garner, Schuylkill, sent to the Speaker's desk a mileage book which, he said, had been presented to him by a man representing "corporations" was proposed in a resolution introduced into the House late yesterday by Mr. Brumbaugh, Blair.

The resolution provided for a committee of three, to be named by the Speaker, "to investigate and report to this House the facts in this case which are reflective upon this House and ought to be beneath its dignity."

Objection was made to immediate consideration and the resolution was laid over for printing.

Amending school code to provide pension funds for janitors. Establishing supervisor of public records in counties, cities and boroughs.

The House adjourned at 6.10 p. m.

Says Senator Helen Ring Robinson Takes Advantage of Her Skirts

Denver, Col., March 10.—A passage at arms between Senator Barele and Senator Helen Ring Robinson, Colorado's only woman senator, reached the point of personalities which called for an appeal from the latter for the protection of the chair.

"The senator from the First," declared Barele, referring to Senator Helen Ring Robinson, "constantly takes advantage of her wearing skirts to do things here a man would not do. She confesses she has moved an amendment to this bill which was foolish. The women in my county do not do these foolish things. She should not be allowed to take advantage of her skirts."

The woman senator demanded recitation and said: "I demand that I be treated as a gentleman," her voice quivering with anger. Senator Barele moderated his manner of speech.

Helen Ring Robinson lectured in this city several months ago.

ANNIVERSARY BANQUET Daughters of Liberty Have 100 Guests at Mechanicsburg

Mechanicsburg, Pa., March 10.—A very enjoyable anniversary occasion took place last evening when Resolute Council, No. 97, Daughters of Liberty, celebrated with their annual gathering. More than one hundred persons surrounded the banqueting tables and enjoyed the exercises, which consisted of vocal solos by Miss Beulah Kiraocfe and Miss Mary McLaughlin, Charles Collins, Elwood Beistline and Ralph Frey sang a trio. A reading, "In School Days," was given by Miss Beulah Finkbinder, Katharine and Earl Sheffer gave a piano duet. Mrs. John S. Frey acted as toastmaster and in a few well chosen words set forth the benefits of the order and the progress it has made since its organization. She welcomed the old and new members as well as the visitors. The Daughters of Liberty orchestra, consisting of twelve pieces, assisted very much in helping to entertain and kept everybody in a good humor until a late hour.

Dandruff Surely Destroys the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.—Advertisement.

BOY'S SIGHT SAVED
