## YALE QUINTET WINS OVER TIGER TOSSERS

### Victory Over Dartmouth Friday Night Means Championship For Blue Five

Special to The Telegraph  
New Haven, Conn., March 10.—Yale won last night's game from Princeton, score 20 to 17. The Blue tossers now lead the intercollegiate basketball race by half a game. The final game will be played with Dartmouth, Friday night. A victory for Yale means the first championship since 1907.

Last night's game was one of the fastest games ever played on Yale gymnasium floor and not until the last minute was it certain which team would be returned a winner.

The game was full of fouls, and if Arnold had been more accurate in shooting goals after penalties the game would have been much easier for Yale. The first half ended a tie at 15.

Yale got the jump on Princeton at the start, Arnold shooting a field goal in ten seconds. From then on it was nip and tuck all the way.

In the last minute Weiner got a basket after Arnold had missed a toss following Trenkman's foul and a few seconds later Arnold clinched the game with a pretty goal half the length of the floor. The line-up and summary:

|             |              |
|-------------|--------------|
| Yale.       | Princeton.   |
| Wolner, f.  | Jackson, f.  |
| Kinney, f.  | Haas, f.     |
| McTigue, c. | McTigue, c.  |
| Arnold, g.  | Trenkman, g. |
| Gill, g.    | Gill, g.     |

Score, Yale 20, Princeton 17. Goals from floor, Yale, Kinney 2, Wolner 2, Taft, Arnold 3; Princeton, Jackson, Haas 2, McTigue 2, Gill. Goals from fouls, Arnold 4, Jackson 2, Haas 3, Fouls called, on Princeton, 14; on Yale, 12. Substitutions, for Princeton, McTigue, Paulson, for Trenkman, for McTigue, Paulson for Trenkman. Referee, Reed, of Springfield Training College. Umpire, Tower, of Williams. Time of halves, 20 minutes each.

## BASKETBALL DOUBLEHEADER WILL INCLUDE CENTRAL HIGH GIRLS

### Altoona Tossers Play First Game With Local Five; Sunbury Co-eds on Friday Night's Program

Another interesting double basketball bill is promised Friday night at Chestnut Street Auditorium. The Central High five will play Altoona High School tossers and the Central co-eds will play the Sunbury High School girls. Both games are of importance in the scholastic series which will end within the next three weeks.

Central has four more games to play—two with Altoona, one with Steelton and one with Tech. The Central girls have six more games on their schedule, including one at Lebanon Valley college to-morrow night with the co-eds of that institution.

## Challenge Thespians to Championship Series

Thespians tossers, winners of the Central Pennsylvania amateur championship, will play a series of games with the Union Club five of Middletown, champions of the Industrial League. The Middletown management has challenged the local five. The first game will be played in Harrisburg, March 15 or 23.

An interesting coincidence of these teams is that both teams are made up of former scholastic stars. Middletown has Selzer, Engle, Dupes, Dougherty, Kane and Zell, while with the addition of the "Thespians" new man, who was acquired last week, Manager Washburn will present Krout, of Steelton High School; Steward and Captain Title, of the Technical High School, and Tom Devine and Fisher, of Central High School.

## UNITED STATES TO HAVE OLYMPIC GAMES

### Will Not Count as Regular; Records Will Be Unofficial, According to Reports

New York, March 10.—According to a cablegram from Paris, the Olympic games will be held in the United States in 1916. Berlin has positively refused to enter into any arrangement. The decision was reached at a meeting of the International Olympic Committee in Lyons. The cablegram says:

"The decision is, in effect, a reply to the German suggestion that the games be held in Berlin as planned, neutral athletes only competing. In canceling the franchise granted to the German organization the international committee agreed to give a free hand to the American Olympic Committee and to the Amateur Athletic Union in selecting the city where the games shall be held, but made the proviso that the program must include all the events voted in the Olympic congress held in Paris in 1913. No event must be added.

"The international committee has decreed that the games will not count as regular and the records made will not be described as Olympic records."

## Tech High Tossers Prepare For Central

Coach Grubb's Tech High five held its final practice this afternoon in preparation for the Steelton game to be played in Tech gymnasium to-morrow night. To keep in the running for the local championship the Maroon and Gray will have to win this contest, and while the students expect a hard game, they anticipate a victory.

Tech's followers look upon the game last Friday with Central as good as a victory, since the latter was outscored from the field.

Tech rooters will be out in full force to-morrow night, led by their cheer leaders. The game will be in charge of Ira Arthurs and the teams will take the floor with the following players:

Tech—Melville and Harris, forwards; Emanuel, center; Beck and Scheffer, guards.
