

Get Ready For the Easter Parade

The "fixing up" idea which absorbs more or less of our attention as the Easter season approaches should not be confined entirely to the matter of clothes.

NEWBRO'S HERPICIDE

There is a subtle charm about pretty hair, nicely dressed, that lends as much to personal appearance as does the combined skill of the beauty doctor and modiste.

Dandruff, which is the cause of most hair troubles, is now known to be a contagious disease. The action of Herpicide is based on this fact and therein lies its great value.

Send 10 cents to The Herpicide Co., Dept. 121-B, Detroit, Mich., for trial bottle and booklet. Sold and guaranteed at all toilet goods counters.

At the business session, members engaged in a discussion of the Bertillon system of measurements and fingerprint records, illustrating with prints of persons in the audience, on a lantern slide and thrown on the screen. Slides, songs and hymns were also shown. Bishop Darlington made a short address.

Special to The Telegraph—Sunbury, Pa., March 13.—Justice Kephart, of the Superior Court, has handed down a decision affirming Judge H. W. Cummings, who refused a new trial to Mark L. Swab, convicted and sentenced on the charge of aiding and abetting in the taking of funds from the county treasury five years ago amounting to \$19,427.88. Swab has been sentenced to serve two years and nine months in jail and served but two days, then got out on bail while the Superior Court acted on his case. He has been working at Elizabethville and will be brought back next Monday and placed in jail here with William M. Lloyd, ex-county treasurer, who is already serving a three-year sentence on the same charge.

San Cura Ointment Should Be In Every Home There never was known a more reliable ointment than San-Cura. In most every case where it has been used it has created astonishment. It drew a needle out of the foot of the daughter of Mrs. James Hitchcock, of Centerville, Pa., after the doctor had used his lance and failed.

It has great healing and antiseptic value. It possesses so much healing virtue that it is guaranteed by George A. Gorgas to relieve any kind of piles, eczema, tetter, salt rheuma, boils, carbuncles, ulcers, all kinds of chronic sores, chilblains and chapped hands, or money back.

It's a mighty handy remedy to have in the house in emergencies for bruises, burns, cuts or scalds, because it relieves the pain and is antiseptic and healing. It's a medicine chest in itself—a little family physician that is ever in demand. 25c and 50c a jar at George A. Gorgas.—Advertisement.

The Size of the Ash Pile How big is your ash pile? You paid for coal, and if the winter's ash pile is larger than it should be you didn't get the best you were entitled to.

Let Kelley show you the way to save by burning the kind and size of good coal that costs no more than the wasteful, ash-pile contributing kind. How is your supply?
