

MOTOR SHARES WEAK IN MARKETS TODAY

Reactionary Tendencies Uppermost in Early Hours of Trading in New York

New York, March 13.—Reactionary tendencies were again uppermost in today's early stock market. The list is a whole falling under yesterday's loss. Motor shares were especially weak, adding materially to their decline in the previous session. U. S. Steel, Canadian Pacific and other active issues yielded fractions. Southern Railway preferred also made a further decline, with a one point loss in the five per cent bonds. Trading was of a calms.

NEW YORK STOCKS

Table with columns: Open, High, Low, Close. Lists various stocks like Alaska G M, Amal Cop, Am Bt Sug, etc.

STEELTON MIDDLETOWN CHIEFS FIRE ROYALTON OBERLIN ENHAUT

ENHAUT PLAYS FIRE FIGHTING COMPANY

Will Provide Protection For Mohn Street Section, Scene of Many Disastrous Blazes

Enhaut's first fire-lighting organization will be officially organized Monday evening when members of the Good Will Fire Company will hold their initial meeting to sign the charter.

The new company will be established with an membership of 25. It will be the first fire company in Enhaut and the second in Swatara township.

With the organization of this company one of the most serious problems confronting the borough of Steelton and the Swatara township authorities for years, that of providing fire protection for the Mohn street district, will be solved.

Plans for organizing this company were formulated following the disastrous blaze in Mohn street last summer, in which one man was burned to death and several dwellings destroyed. The Steelton firemen had considerable trouble in fighting this blaze and confined to council and the Swatara commissioners about the lack of proper facilities.

The organization of the Good Will Fire Company was suggested and met with instant approval. The company has purchased the old horse carriage of the Good Will Company, of Harrisburg.

STEELTON SNAPSHOTS

To Give Dance.—The Young Men's Social Club will give a dance in Orpheum Hall, Wednesday evening, March 17. The orchestra will consist of the following: Fred Smith, leader; Harry Smith, violin; John Smith, guitar; and others.

Men's Mass Meeting to Feature Church Services. A mass meeting for men in the First Methodist Church to-morrow afternoon will be a feature of the day's church services.
