Every Woman Can Enjoy a Shorter
Day's Work By Purchasing a Hastings'
Kitchen Cabinet Through Our

HASTINGS' KITCHEN CABINET CLUB

There is no need to worry along in a kitchen that is all in a jumble, because there is not enough room, or because things are scattered about.

Pay \$1.00 Down and \$1.00 Weekly

And secure a Hastings' Cabinet—the cabinet that surpasses all others in handiness, materials, construction and finish.

The good of any kitchen cabinet is the work it saves a woman, and the cabinet that saves most is the best cabinet. We claim the Hastings to be the best cabinet made, and prove it two ways. First, the Hastings is an evolution. It was not made complete in a day, or in a year, but it grew year after year, feature by feature. Each new device grew out of some need of the housewife, and no feature was added till it was tested and proved a saver. The Hastings is the result of years of study of kitchen work and tests to find out the most efficient labor saving devices.

Final proof of the Hastings' superiority is that its features have been widely copied; practically everything on any other cabinet can be traced back to the Hastings. But the imitations have always been poor makeshifts, and a year or so later, when the Hastings was devising still newer features. Moreover, many of the best features have been protected by patents, and today are on the Hastings alone.

The Hastings' slogan is a Shorter Day's Work. Ask for particulars and demonstration.

Also Eczema, Salt Rheum, Ulcers, Old Sores and Carbuncles

Under the influence of San Cura Ointment surprising improvement is made so quickly that it seems almost miraculous.

Stubborn cases of piles like those of Rev. W. F. Gilbert of Titusville, Pa. vanish before the marvelous antiseptic ointment. Mr. Gilbert writes: "For twenty years I suffered with bleeding and itching piles; at times I was confined to the house for more than a month. Two years ago I began using San Cura Ointment and one box made a firm and permanent cure. I have not been troubled since." San Cura Ointment is guaranteed by George A. Gorgas, who is the agent in Harrisburg, to help any of the above named diseases or any other ailment. It relieves pain from burns, cuts and bruises, draws out the poison and often heals in a short time. 25c and 50c jar at George A. Gorgas'—Advertisement.

PRETTY GIRLS' AGES ARE OVERESTIMATED

Majority of Contestants Place Aggregate 'Way Up; Marysville Man Wins First Prize

When S. Hobart Gassnell, of Marysville, State of Pennsylvania, U. S. A., took pen in hand and wrote to the Pretty Girl Editor of the Telegraph that in his opinion the eight pretty Orpheum girls, whose pictures were printed in Saturday's paper, had averaged an aggregate of 160 years, 4 months and 8 days of life, he not only won for himself an entire box to sit in and watch these girls at close range some night at the Orpheum, but he also established a reputation of being Central Pennsylvania's star little judge of the feminine sex.

SOAP ON HAIR CAUSES DANDRUFF, SCALP GETS DRY, HAIR FALLS OUT

Girls! Get a 25 cent bottle and try a "Danderine Hair Cleanse"

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap as sparingly as possible, and instead have "Danderine Hair Cleanse." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but

his estimate of 160 years hit the nail right on the head, for after Gladys and Gertrude and all the rest had romped their way into the editorial room of the Telegraph and each individually held up a pretty right hand and swore to her age—the sum total came exactly to 160 years.

More than 100 judges took a chance on this contest, but in nearly every case the estimates were too high, and you don't have to take the girls' word for it, the Pretty Girl editor himself is willing to vouch that there wasn't a face in the entire group of living originals that stood before him that be spoke more than 22 years, and most of them were younger.

Other winners estimate was submitted by Mrs. H. Bain as 167 years, 1 month and 14 days, and for this Mrs. Bain will receive four seats at the Orpheum for any performance she desires. For the third nearest correct estimate, 169 years, Janet Leigh will receive two seats. The prize winners are requested to call on the Pretty Girl Editor of the Telegraph and get their orders for the seats they won.

The eight girls, who appear in the big musical comedy production, "Safety First," at the Orpheum this week, came to the Telegraph office to help solve the contest at the close of yesterday's matinee. They are: Helen Lloyd, 22; Adele La Peere, 22; Adelaide Mason, 20; Grace Williams, 21; Alma Broholm, 18; Eloise Fraelich, 19; Monica Boulois, 18, and Gertrude Rutland, 20.

GIBBONEY IDEA SENT TO THE HOUSE

Plans Local Option With Compensation For the People in Liquor Business Now

The bill drafted by D. Clarence Gibboney, of Philadelphia, providing for local option with provision for compensation to those interested in the liquor business turned up in the House last night. Mr. Jones, Lackawanna, presented it.

"Safety First" Act Is Too Satirical

Sophy Barnard and Lou Anger, with a fine company of actors to support them, introduce another "Safety First" movement in Harrisburg this week, as the headliner at the Orpheum is called. Pretty girls, dainty costumes and real comedy are the three big things in a good vaudeville act and the "Safety First" playlet has the combination.

are amusing, but the whole playlet reflects just a little too much satire on motion pictures to please the audience. The best song in the act is "The War of Peace," in which the pretty girls dressed in the colors of the various nations at war in Europe appear on the stage in pairs, bringing in the chorus part of the song very effectively.

The eleven legislators at the Capitol who voted against the woman suffrage movement last night have an ally in Bert Levy, who is well known by the Harrisburg people. Mr. Levy is one of the many men who think that a

woman was made to love, not to vote. His sketches of prominent men are clever.

Scamp and Scamp are good openers and judging from the actions of the dog he must have had experience along the "won't get home until morning" line. Sammy Burns and Alice Fulton, in "Tersichorean Classics" are artistic dancers.

Baseball fans, you will have some job showing more spirit about a game than the dainty Misses Irene and Bobby Smith, whose songs are worth while and full of humor. Eddie Cantor and Al Lee have a lot of new jokes that bring laughs, and the Keystone

films for the motion picture part of the program are exceptionally comic.
