Great Kidney Medicine Again Proves Reliable

I believe the remarkable cure I derived from Dr. Kilmer's Swamp-Root is worthy of special mention. I was troubled with pains in my back, weak kidneys. There was a time before using Swamp-Root that I was in misery all the time sitting or standing. I was told by a friend that Swamp-Root would help me and I purchased a dollar bottle and it relieved me wonderfully. It was certainly remarkable. Its relief made me a new man and gave me much comfort. I took another bottle of the 50 cent size which cured me. I drive every day over the roughest roads of Kentucky and have no trouble whatever with my kidneys. I have gained 15 pounds in weight since I took Swamp-Root. Am 31 years of age and enjoy the best of health and I am not afraid to recommend Swamp-Root to anyone.

Very respectfully yours, C. H. WEBB, Glasgow, Ky.

Subscribed and sworn to before me by C. H. Webb, and with whom I am personally acquainted. I further certify that I am not related to any of the parties, nor interested in any way in the subject matter herein contained. THOS. REYNOLDS, N. P. B. C.

For forty years Hood's Sarsaparilla has been more successful than any other medicine in expelling humors and removing their inward and outward effects. Get Hood's.
