NEW HORSE INJURES FARMER AND HIS WIFE

Kills Himself and Lands Owners in Hospital in Serious Condition

Special to The Telegraph
Sunbury, Pa., March 19.—Mr. and Mrs. Reeder Shultz, of Union Corner, near Reed's Station, after purchasing a new horse at Stonington yesterday, started home with the animal. It became frightened on a steep hill, ran away and threw both from the vehicle. The horse ran into a bridge and was killed. Mrs. Shultz was run over by one of the carriage wheels and badly injured, and Mr. Shultz was thrown into the creek. Both are in the hospital and are in a serious condition.

WOMAN'S HEALTH REQUIRES CARE

Women are so constituted as to be peculiarly susceptible to constipation, and their general health depends in large measure on careful regulation and correction of this tendency. Their delicate organisms rebel at the violence of cathartics and purgative remedies, which while they may afford temporary relief, shock the system and seriously disturb the functional organs. A mild laxative is far preferable, and, if properly compounded, much more effective. The combination of simple laxative herbs with pepsin sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin is ideal for women's ailments. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington street, Monticello, Ill.

Mrs. Edward Hetzel Drowns Herself in Rain Barrel

Special to The Telegraph
Gatysburg, Pa., March 19.—Mrs. Edward Hetzel, wife of a Mount Pleasant township farmer, committed suicide early Thursday morning at her home by drowning herself in a rain barrel. The body was found by Mr. Hetzel. She had been suffering from dementia for some time and had made frequent threats to end her life. A close watch had been kept on Mrs. Hetzel for some time because of her mental condition and she was being treated by Dr. Sheets, of New Oxford. Yesterday morning her husband had some work to do in the field and left a young son, Charles, at home to watch his mother. While the boy was not looking Mrs. Hetzel is supposed to have slipped out and plunged into the barrel. When the son missed her from the house he summoned his father and a search was instituted. Mrs. Hetzel was about 65 years old and is survived by her husband and three children, Robert Hetzel, professor of mathematics at Mount St. Mary's College, Emmitsburg, Md.; Mrs. Shultz, Hartford, Conn., and Charles, at home, ENTERTAINMENT IN PERRY

Cocaoil Oil Makes A Splendid Shampoo

If you want to keep your hair in good condition, the less soap you use the better. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulified cocoail oil (which is pure and entirely greasless), is much better than soap or shampooing, as this can't possibly injure the hair. Simply moisten your hair with water and rub it in. One or two teaspounfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage. You can get mulified cocoail oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.—Advertisements.

MANY WILL SPEND EASTER AT SHORE

Railroads Planning to Send Special Trains in Response to Hundreds of Inquiries

Present indications point to a banner attendance of Harrisburgers at the Easter festivities at Atlantic City Sunday, April 4.

Because of many inquiries both the Pennsylvania and Reading companies are making preparations to run special trains the day previous.

The Pennsylvania Railroad has been active in planning for the Easter rush for some time. Six special trains will be run from Pittsburgh; while the big crowds from Harrisburg will require extra cars and sections for all regular trains. In his reference to the annual increase of Easter crowds, A. E. Buchanan, division passenger agent of the Pennsylvania Railroad, said today:

"Growing Easter custom. "Easter at the seashore has grown to be a recognized American custom. Thousands of our people make this pilgrimage every year, recognizing its tonic effects after the rigors of winter.

"The Atlantic City boardwalk and its unrivaled accommodations for visitors from all walks of life makes that resort peculiarly attractive. Those who have participated in the annual boardwalk parade repeat the experience. Those who have not seen this display have a treat at the store.

"The Pennsylvania Railroad has announced a sixteen-day excursion from Harrisburg at \$4.50 via the ferries, and \$4.75 all-rail via the Delaware river bridge route. These tickets will be good to leave Harrisburg on any train, Saturday, April 3, with the exception of a few of the limited extra fare trains.

"It affords an opportunity to visit Atlantic City, Cape May or any of the intermediate coast resorts, at a saving of more than \$2.00, compared to the regular excursion fares.

"It is the only special rate opportunity which will be given to visit the New Jersey seashore resorts until the special excursions are run during the height of summer.

"Atlantic City at Easter is not the Atlantic City of July and August. Both are great, but the Easter season and the summer season present attractions peculiar to themselves."

Why Have Two Coal Yards?

First—because we are able to give our customers better and quicker service. The one yard is located on Allison Hill at Fifteenth and Chestnut streets. The second yard is in town at Forster and Cowden streets. This makes shorter hauls.

Second—and this is the main reason we can the Reading Railroad and the "in town" yard is on the Reading Railroad and the "ni town" yard is on the Pennsylvania Railroad. Furnace conditions are not all the same. "Reading Coal" will give the very best results in some houses while in others "Pennsylvania Coal" is what is required.

If you have had any trouble with your coal let us send the kind that is required.
