FIFTY HAPPY YEARS OF MARRIED LIFE

CELEBRATING GOLDEN WEDDING TODAY

Bishop and Mrs Hartzler Celebrating Their Fiftieth Wedding Anniversary

The Rt. Rev. Dr. and Mrs. H. B. Hartzler are to-day celebrating their golden wedding anniversary surrounded by their children and grandchildren at their home in Washington Heights.

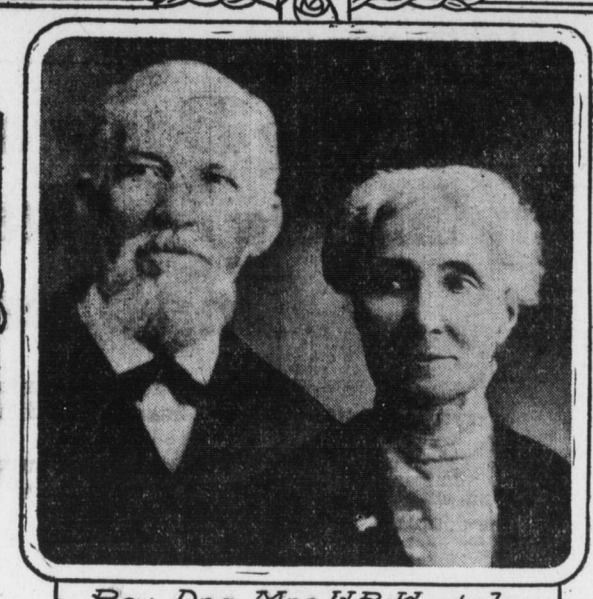

Dr. Hartzler is one of the most distinguished ministers in the United Evangelical Church. He served eight years as bishop, after a long period as editor of the Evangelical, which he founded, and is at this time editor of that publication.

One of the hundreds of remembrances that flooded his mail to-day was a gift in gold from his old associates at Northfield, accompanied by a letter testifying to the love in which he and Mrs. Hartzler are held by their friends at Northfield.

Mrs. Hartzler, who is still young in spirit and active physically despite long periods of ill health, has been as actively identified with the affairs of the church as her husband, having been one of the founders of the Woman's Missionary Society, now embracing in its membership thousands of members throughout the country and maintaining schools, hospitals and mission stations in China.

There were present at to-day's celebration Mrs. Arthur Wistrand, a daughter, and her daughter, Phyllis; Mr. and Mrs. Rollin Z. Hartzler, Mr. Hartzler being a son, and their son, Henry; Mr. and Mrs. G. M. Steinmetz, Mrs. Steinmetz being a daughter, and their children, Richard H., Janice Z. and Rollin C. Steinmetz.

Dr. and Mrs. Hartzler will leave next week for a wedding trip south, taking boat at Baltimore. They are in the best of health and enjoyed their unusual celebration hugely. One of the surprises will be an article appearing in the current issue of the Evangelical, slipped in by former Bishop W. M. Stanford, a lifelong friend, paying a tribute to the present editor and his wife.

STIEFF'S Big Removal Sale

As announced several days ago, the present Stieff piano store will be torn away, beginning April 1, to make way for the largest exclusive piano house in Central Pennsylvania.

We find it impossible to secure a large display room in a central location, and it is imperative that our surplus stock be sold before the end of March.

To clear our warerooms, we have decided to conduct a Big Removal Sale beginning at once and continuing until March 31.

This sale means the greatest piano buying opportunity offered in Harrisburg in many years. Every piano and player piano in the store will be sold at

10 Per Cent Off

Our parlors are heavily stocked with Stieff and Shaw pianos and players, such as give the buyer "that satisfied feeling."

The Stieff and the Shaw combine a structural beauty and a perfection of finish that is distinctly unique. But away and beyond the unchallenged excellence in material, workmanship and design, is their exquisite tonal qualities.

Don't forget the sale lasts only until March 31. Once in our temporary headquarters, prices will be as usual.

In addition to our regular stock, we have on hand a number of instruments of standard make, which we will sell during the Removal Sale at exceptional prices. Some of these opportunities are:
