NEWS OF THE RAILROADS

NEW SIGNAL TOWER IS AN INNOVATION

Brick and Concrete Structure For Reading System at Sunbury Will Cost \$50,000

Special to The Telegraph—Sunbury, Pa., March 23.—An innovation in interlocking towers will come with the erection of the new brick and concrete building for the Philadelphia and Reading Railway Company at this place. Some time ago the Reading Company began the elimination of the wooden structures at terminal points and in crossings. Work on the new tower at this place will start within the next ten days. It will cost \$50,000, and will be a most substantial one of the most modern of its kind in the country. It is to be 60x55 feet in dimensions and two stories high. There will be sixty levers, each operated by an electric button. Men employed in the tower will be uniformed. All signals will be lighted by electricity, and the wires connecting with the levers and signals will be in underground conduits.

P. R. R. ANNUAL ELECTION

It is expected that at the annual election of the Pennsylvania Railroad Company to-day in Philadelphia, the three retiring directors, William H. Barnes, George Wood and Stuart Patterson, will be re-elected, and that approval will also be given to the proposition to increase the company's indebtedness by \$10,000,000.

COUNTIES TO PAY ALL PRIMARY BILLS

Part of Plan to Save State's Money For Highway Building Purposes

Senator Sproul, of Delaware, introduced a bill in the Senate to-day to provide that hereafter the several counties shall pay the expenses of primary elections.

In 1906, when the uniform primary laws were passed, the provision was made that the State would reimburse the counties for the cost of holding the primary elections. Since that time the State has returned to the counties all of the personal property tax, which materially increases the counties' revenues at the loss of the State.

The annual expense to the State of the primary elections is about \$80,000 and this bill, which was drawn by Attorney General Brown, is a part of a plan agreed upon between Governor Brumbaugh and Senator Sproul and others of the leaders in the subject of road legislation to save enough money to enable the State to go ahead with its good roads program without cutting down materially the mileage of State highways.

Senate Routine
The Senate to-day agreed to the House amendments to the following Senate bills and they were sent to the Governor:

Regulating the care and treatment at state and county expense of indigent persons habitually addicted to the use of alcohol or drugs.
Establishing, regulating and maintaining State game preserves on the forestry reservations and elsewhere.
Bills passed finally by the Senate to-day included these:

House bill authorizing third class cities to extend the pipes of their water works beyond the city limits for the purpose of supplying water to other municipalities within the county.
House bill granting boroughs and incorporated towns the right of eminent domain for certain purposes.
House bill transferring from certain funds moneys appropriated to the quarantine physician, Philadelphia.
Regulating certain policies of life insurance and annuities.

GIRLS! BEAUTIFUL, CHARMING HAIR, NO DANDRUFF--25 CENT DANDERINE

Try this! Doubles beauty of your hair and stops it falling out

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine hair cleanse." Just try this—moisten a cloth with a little Danderine and carefully draw it through the hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil.

and in just a few moments you will have doubled the beauty of your hair. Besides beautifying the hair at once Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair. But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and just try it.—Advertisement.

Neat Brass Signs Will Welcome Visitors to City

Through the courtesy of officials of the Pennsylvania and Reading railroads, the Harrisburg Chamber of Commerce is arranging to place neat brass plate signs in their city's reading "Welcome, Harrisburg Chamber of Commerce, Kunkel Building." The idea of the Chamber in placing these signs is to direct to its headquarters people who want information about the city, as well as to make even those who do not call at its office to feel that they are welcome in Harrisburg.

"DOPE" PATIENTS RECOVERING

Physicians at the Dauphin County Almsouse have practically cured a woman who was a "dope" fiend by giving injections of water instead of "dope." The woman was admitted a few weeks ago in a serious condition. Another woman was admitted yesterday also in a serious condition from being addicted to the use of "dope." The other patients are improving rapidly and some of them will be discharged within the next week or two.

LAST BAR THROWN DOWN

By Associated Press
London, March 23, 12.03 P. M.—The fall of Przemysl is characterized here as the throwing down of the last bar of the gateway into Hungary and an early Russian advance in that direction is anticipated in England. The German press praises warmly the gallantry of the defenders of this Galician fortress.

WEAK, AILING CHILD Made Strong By Delicious Vinol

Lakeport, N. H.—"Our little girl, years of age was in a debilitated, run-down condition and had a stubborn cough so she was weak, asthmatic at the time. Nothing helped her until we tried Vinol. Then her appetite increased and she is strong, and we and I wish other parents of weak and ailing children would try Vinol."—Geo. A. Collins.
This is because Vinol contains the tissue building, strengthening cod liver elements and the tonic iron which weak and run-down system needs. George A. Gorgas, druggist; Kennedy's Medicine Store, 321 Mark street; C. F. Kramer, Third and Broad streets; Kitzmiller's Pharmacy, 12 Derry street, Harrisburg, Pa., and leading drug stores everywhere.—Advertisement.

New Jersey House Defeats Municipal Local Option

By Associated Press
Trenton, N. J., March 23.—The Municipal local option bill was defeated in the lower house of the New Jersey Legislature early to-day by a vote of 42 to 13. The measure which was known as the Gaunt bill, passed the Senate about a month ago.

ANOTHER CAR OWNER WINS SAXON PRIZE

C. H. Hertzog, Employed in the Department of Internal Affairs, Told of Good Fortune

Having had no intention of going to either of the automobile shows, but strolled into the Arena Tuesday evening simply to while away the time, caused C. H. Hertzog to become the owner of another automobile. Holding number 01973, Mr. Hertzog did not know that he was a prize winner until last evening, when a friend of his read the number in the Harrisburg Telegraph. "That is my number," said Mr. Hertzog, and tried to get in touch with J. Clyde Myton, manager of the show, to verify the good news. The winner is a man of ample proportions, while the Saxon is among the smallest of roadsters made. Mr. Hertzog is employed in the Department of Internal Affairs at the Capitol and lives at 1129 North Sixth street while in Harrisburg. His home is at Mertztown, Berks county. Being the owner of a Studebaker touring car before being awarded the Saxon roadster, Mr. Hertzog can now keep one at his home and the other in Harrisburg if desired. If the attention of Mr. Hertzog had not been called to the winner, Mr. Jackson, chauffeur for W. E. Abercrombie, of Steelton, would have had second choice and Miss Hoover at the Union Planning mill, third. But a miss is as good as a mile, and one's good fortune must spell disappointment to another.
