A Splendid Kidney Remedy

In the year 1901, at the age of 11, I was a terrible sufferer of kidney trouble in an aggravated form. My father sent to you for a sample bottle of your celebrated remedy, which he received promptly and he began giving me Swamp-Root immediately. The contents of this one bottle relieved me in a remarkable way and three large size bottles effected a complete cure. I consider your Swamp-Root to be a grand medicine and I cheerfully recommend it to all sufferers of kidney trouble, no matter how long standing, as it no doubt saved my life.

HENRY W. SMITH, Sayville, N. Y. Personally appeared before me this 20th of July, 1909, Henry W. Smith, who subscribed the above statement and made oath that the same is true in substance and in fact.

EDWARD FELLERATH, Notary Public, Suffolk County, N. Y.

Prove What Swamp-Root Will Do For You
