

Are You Giving Your Body A Square Deal?

Read "The Ills of Life" This free booklet is a plain statement of plain people as to their experience with Penna. They have used Penna. They know what they are talking about. Fathers, Mothers, Sisters, Brothers, Grandfathers and grandchildren. They all speak instructive reading. Send for one. Penna is a standard household remedy for coughs, colds and catarrh. It is also a slight laxative. An admirable remedy for old and young. It is a great saving in doctor's bills to have Penna in the house. It is also convenient. If your druggist does not happen to have Penna in stock order it direct from us \$1.00 a bottle, \$5.00 for six. We pay transportation charges. Penna wins its own way. One bottle will convince you. Christ Lutheran Will Probably Erect Sunday School Annex of 1,100 Capacity

A Sunday school annex to Christ Lutheran Church, to cost probably \$20,000, was suggested last night at the booster service held in connection with the twenty-fifth church anniversary exercises. Official action will be taken on the question at the annual congregational meeting on Monday night, April 5. If decision is made to build, work will be started soon on the property north of the church building. The new building will be a modern Sunday school room with a seating capacity of about 1,100. The anniversary service this evening will be in charge of the Christian Endeavor Society and the chief address will be made by the Rev. T. L. Crouse, of Sharsburg, who was the first pastor of Christ Lutheran Church. Bible Class to Meet.—The Immanuel Bible Study Class, taught by W. W. Rugh, of the Philadelphia branch of the National Bible Institute of New York, will meet this evening in Fifth Street Methodist Church at 8 o'clock. Tells of Vice Crusade.—A men's meeting in St. Paul's Episcopal Church, Second and Emerald streets, will meet this evening by the Rev. Clifford G. Twombly, pastor of St. James' Episcopal Church, Lancaster, on the vice crusade last year in that city, in which the speaker took a leading part. Marietta Rector Here.—The Rev. H. S. Pulsifer, rector of St. John's Protestant services in St. Paul's Church to-morrow night.

Girl Works as "Man" Four Years in Factory

Special to The Telegraph. Springfield, Mass., March 23.—The death of Miss Florestine Albertine Beaudoin, whose body was found in Willmamssett Saturday night, revealed that she had lived disguised as a man for four years. She resided with her sister, Mrs. Mary LaChapelle, and as "Albert Beaudoin" worked in the paper mills of Holyoke. The only motive suggested for her long masquerade is that she could earn more as a man.

Iredell Is Selected For Hampton Position

Special to The Telegraph. Washington, March 23.—Samuel Iredell, a lawyer of Bridgeton, N. J., has been agreed upon by the Administration as collector of internal revenue for the Ninth Pennsylvania district, to succeed George Hampton, whose nomination was rejected by the Senate. Secretary McAdoo also will recommend Benjamin F. Davis, of Lancaster, for collector of internal revenue in the Ninth Pennsylvania district, as a recess appointment. The Senate failed to pass on his nomination because of the opposition of Senator Penrose.

CHICAGO BREAD, 5 CENTS

Chicago, March 23.—The price of bread in Chicago was reduced to 5 cents a loaf, the normal figure, to-day by virtually every baking concern. The price was advanced to 6 cents last month as a result of the high price of flour.

DRIVEN BY MOTOR

An electrically driven motorcycle recently brought out in California is built exactly like an ordinary motorcycle, but has an electric motor in place of the usual gasoline engine. A storage battery of compact design, which carries a large amount of electric power in proportion to its size, is clamped above the motor and furnishes the current for operation. Popular Mechanics contains a picture of the machine.

Physicians Petition For Local Option's Passage

Physicians of Harrisburg to the number of 100 last night petitioned the legislature to pass the Governor's local option bill. The petition was presented in the House by Mr. Wildman and is as follows: "We, the undersigned practicing physicians of the City of Harrisburg, do hereby respectfully petition the General Assembly of the Commonwealth of Pennsylvania to enact into law the House bill known as the local option bill for the following reasons: "The use of alcohol is detrimental to the public health. "It shortens the average length of human life. "It is productive of much disease of the body and mind, causing deleterious, hereditary effects on succeeding generations. "It produces private immorality. "It promotes disorder and crime. "It is an economic waste, and is productive of poverty. "It reduces the efficiency of a State, or nation addicted to its use. "Scientific investigation has proven alcohol to be a poison to the human body and should be treated as such. "Therefore, we favor a measure which will make it possible for the people of a given section to restrict, if they choose, the sale and consumption of alcoholic liquors in their community, and we believe that the enactment of the measure now pending will have salutary effect."

Stough Chorus Will Sing at Marysville

Two hundred members of the Harrisburg Evangelistic Chorus will leave Market Square in special cars at 6.45 o'clock this evening to attend the evangelistic services being held in Marysville by the Rev. C. E. Hillis. The members of the chorus were invited to attend the service and furnish music for the evening. Volunteers for the trip were asked for and 200 responded. The cars will return at 10 o'clock. The chorus will be the guests of the Hillis party at the tabernacle for the evening.

Prominent Episcopalians Guests of Darlington

The Pennsylvania State College reunion and dinner, planned to be held at the Engineers' Club, Friday evening, has been postponed. The committee will soon announce the date for the event.

Why Kelly-Springfield Tires cost more to buy but less to own

The stamp of quality is as obvious on Kelly-Springfield Tires as it is on any other hand-made article of genuine worth. It is as inimitable, as unmistakable as the impress of good breeding on a man or woman. But

Kelly-Springfield

Tires are not made so carefully merely to give them an air of distinction; it is mileage that is built into them so slowly and painstakingly by hand. And judged by the acid test of road mileage, Kelly-Springfield Tires are as good as they look. They are built up to a standard—not down to a price-list.

Hereafter the basis of adjustment will be:

In Ford sizes, plain tread, 6,000 miles; Kant Slip 7,500 miles. All other sizes, plain tread, 5,000 miles; Kant Slip tread 6,000 miles. The word "adjust" is merely figurative, because in 1914 the total adjustment in Kelly-Springfield tires for the whole United States was less than 1%. You get this unequalled service in uninterrupted mileage—not adjustment.

Before buying some other tire at a lower price analyze the basis of adjustment offered by the other maker—see what you really do get for less money.

Bowman's Second Call--To the Gigantic Sale of Bedspreads, Sheets and Cases

That Offers Real, Genuine Savings at Just the Right Moment You'll be impressed at the fine qualities that a small sum will buy. This is because they were sold as "seconds," but there is nothing to prevent them from being "firsts," excepting small spots or a trifle too much bluing, which will come out in first washing. Every thread is perfect! Had they been "firsts," the prices would be one-fourth to one-third higher.
