READING SHOWS LOSS AT MARKET OPENING — New York, March 25.—Reading was the only issue of importance to show a loss at the opening of to-day's market, all the other prominent stocks, as well as numerous inactive ones, recording gains. These ranged from mere fractions to a point or more. Baltimore and Ohio and Louisville and Nashville as well as Third Avenue, making the greatest advances. General Motors rose two points, but specialties were less conspicuous than heretofore. Prices were inclined to ease by the end of the first half except Bethlehem Steel, which rose a point.
