LIGHT ON CONFI

Present War; Maps in Backs

(By William T. Ellis)

(By William T. Ellis) Most of the dispatches from the world war need interpretation; and many careful students of present his tory are finding that the Bible is the most illuminating of all books. I reveals the principles which are be ing worked out in this greatest o human upheavals. The maps in the backs of our Bibles are the best to study if we would understand pres-ent military operations in Bibl lands. Most significant of all, how ever, is the new light which the of Bible throws upon the providences it the progress of events. Bewilderment and confusion will b the lot of the laymen who try to mas ter all the details of the present com plicated world situation. One clean trail through it all is the truth, which underlies the present Sunday Schoo lesson, that God deals with nations a

Many people believe that those remedies which have stood the test of time, that have been put to every trial under the varying conditions of age, weight, general health, etc., may be safely relied upon. And judging by the fact that "Mother's Friend" has been in continual use since our grandmother's earlier years and is known throughout the United States it may be easily inferred that it is some-thing that women talk about and gladly recommend to prospective mothers. "Mother's Friend" is prepared only in our own laboratory and is sold by drug-gists everywhere. Ask for a bottle to-day and write for a special book for expectant mothers.
