

Standard Remedy For Many Homes

Indigestion and constipation are two conditions closely related and the cause of much physical suffering.

The tendency to indulge one's appetite is general, so that most people suffer at some time or another from rebellion of the over-taxed organs of digestion and elimination. A simple, pleasantly effective remedy that will quickly relieve the congestion of poisonous waste and restore regularity, is the combination of simple laxative herbs with pepsin, sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative-tonic and digestant, absolutely free from opiates or narcotic drugs and has been the standard household remedy in countless homes for many years. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 432 Washington St., Monticello, Ills.

HONEYMOON, BROKEN OFF ON WEDDING DAY, RENEWED AFTER THREE YEARS SEPARATION

New York, March 26.—Two hours after Benjamin Lockwood was married in this city three years ago he received a cable that his presence in Ecuador was imperative at once. He is an official on the Guayaquil-Quito railroad and a boat sailed that day with him on board. He has been in Ecuador ever since, labor difficulties keeping the railroad situation tense. To-day he is back in New York to claim his bride. He would not permit her to brave the dangerous climate of Ecuador.

SWEET POTATOES IN OLD SOUTHERN STYLE

Many Varieties of Appetizing Dishes Can Be Prepared From Toothsome Tubers

Southern cooks know many ways of preparing and serving sweet potatoes which are unfamiliar to the average northern housewife. Served with pork chops or pork tenderloin the sweet potato is capable of many variations.

One favorite dish, says the New York Sun, calls for well trimmed pork chops baked slowly in a moderate oven with frequent basting. When done spread the meat portion of each chop on both sides with a covering of mashed sweet potato seasoned with onion juice, salt and pepper, moistened with cream and beaten until light. After the sweet potato has been spread on the chops return them to the oven until the potato coating is well browned. Decorate each chop bone with a frill of paper

CALOMEL SALIVATES

Calomel makes you sick and you lose a day's work. Calomel is a nasty, dangerous chemical. To loosen your sluggish liver and bowels when constipated, headachy, bilious, just get a 10-cent box of harmless Cascarets. They work while you sleep, don't gripe, sicken or salivate.—Advertisement.

A trick of southern cookery worthy of imitation by the housewife who enjoys novel seasonings is the use of crisp fried bacon finely crushed. In this can be rolled vegetables, meat or fish. Parboiled sweet potatoes sliced, brushed with melted butter and rolled in the finely crushed bacon crumbs can be arranged in a shallow baking tin and cooked in the oven or they can be broiled. The bacon crumbs impart a particularly delicious flavor.

The famous southern dish known as candied sweet potatoes can be most conveniently served in a shallow casserole. Parboil the potatoes, remove the skins, cut in slices lengthwise and arrange in a buttered casserole. Make a syrup of sugar, butter and water and pour over the potatoes, reserving some for basting during cooking. They should be tender and well candied when ready to serve.
