

The Ladies of Harrisburg Enhance their Personal Charm By the Use of

Newbro's Herpicide

It is a significant fact that the people of Harrisburg use more Newbro's Herpicide than any equal number of people elsewhere.

Desiring always to appear at their best the ladies of Harrisburg have been quick to recognize the great excellence of Newbro's Herpicide as they know that its intelligent use will add more to the beauty of their hair than anything else. They are justly proud of the radiance and luster of their tresses made possible by having hair that is clean and healthy and a scalp free from dandruff. It is by saving and beautifying the hair growing on their own heads that the Harrisburg Ladies add so much to their personal appearance.

Fifteen years ago Newbro's Herpicide was the only germ remedy for dandruff in America. At that time, both the remedy and the theory were ridiculed. But since then Herpicide has achieved an almost marvelous success and the story of its astonishing merit has penetrated to every corner of the globe.

Now the Herpicide claims and Herpicide advertisements have been freely copied by the manufacturers of other scalp remedies. Bear in mind, too, that during this change of front the remedies themselves have not been changed, simply the claims for them. Here is the point. Why should you experiment with something, claimed to be as good as Herpicide when genuine Herpicide, the Original Germ-Remedy, may be purchased in every drug and department store in Harrisburg.

The "Just as good" kind is good for the substitutors cash register but is not good for your scalp.

Application of real Herpicide can be obtained at any good barber shop. Sold and guaranteed at all toilet goods counters.

A trial bottle 10 Cents—A booklet FREE—Sent for both to the Herpicide Co. Dept.—102 B Detroit, Mich.

GREAT FOR EMERGENCIES

San Cura Ointment Should Be In Every Home

There never was known a more reliable ointment than San-Cura. In most every case where it has been used it has created astonishment. It drew a needle out of the foot of the daughter of Mrs. James Hitchcock, of Centerville, Pa., after the doctor had used his lance and failed.

It has great healing and antiseptic value. It possesses so much healing virtue that it is guaranteed by George A. Gorgas to relieve any kind of piles, eczema, tetter, salt rheuma, boils, carbuncles, ulcers, all kinds of chronic sores, chilblains and chapped hands, or money back.

It's a mighty handy remedy to have in the house in emergencies for bruises, burns, cuts or scalds, because it relieves the pain and is antiseptic and healing. It's a medicine chest in itself—a little family physician that is ever in demand. 25c and 50c a jar at George A. Gorgas.—Advertisement.

REV. MAY HAS BUILT UP CHURCH SINCE '09

Fourth Reformed Pastor's Flock Doubles During Last Six Years

THE REV. HOMER S. MAY

The Rev. Homer Skyles May, pastor of the Fourth Reformed Church, Sixteenth and Market streets, will close the sixth year of his ministry in Harrisburg to-morrow.

Appropriate services will be held both morning and evening by the congregation. The choir will sing several anthems at both services and other special music.

A complete history of the six years' work in this city will be given at the evening service by the Rev. Mr. May. When he first took charge of the Fourth Reformed Church, March 27, 1909, the congregation numbered 250 and held services in a chapel on the rear of the present church site. Shortly after he came to the city an addition was built and on October 12, 1912, the new church was dedicated with a membership of 420. The membership is now 550 and will be more than 600 when the class of candidates is received on Easter Sunday.

The Rev. Mr. May graduated from the Franklin and Marshall College in 1889 and after teaching one year returned to the seminary and completed that course in 1892. His first charge was the St. John's Church, at Elk Lake, where he remained eight and a half years. He then had charge of the Reformed Church at Sulphur Springs for seven and a half years, coming to this city in 1909. He is a member of the Eastern Synod and the General Synod and has been active in bringing many improvements to Fourth Reformed Church.

Sell 6,000 Easter Eggs to Defray Church Debt

Six thousand Easter eggs have been made within the past three weeks by the young women who are members of the Bible class of Fourth Reformed Church, taught by Milton S. Kline. Each year the women make and sell eggs and sell them to help build up the church fund.

Last year at Easter time they turned over the treasury more than \$200 which they had earned in that way. The women sacrifice their evenings for three weeks before Passion Week and turn the church kitchen into a small confectionery shop, working until late at night molding and coating the creamed sweets. Following are some of the members who have been active in the project: Miss Maud Stanley, president of the class; Miss Susan Crouse, secretary; Misses Beryl Crouse, Pearl Crouse, Grace Snow, Grace Kern, Edna Ensminger, Esther Hoopes, Maud Stanley, Mary Ann, Misses Selma, Elsie Fritz, Mary Glass, Carrie Swavely, Mary Warlow, Marie Moretz, Minnie James, Mary Ann, Mrs. Helen Peterson, Mrs. Carl Smith, Mrs. Bertha Kirk, Mrs. Louise Peters, Mrs. Anna Wheeler, Mrs. Stephen L.
