Baby's Happiness Depends On Health

Cross, fretful babies usually need a laxative to make them comfortable, and comfort begets happiness. Constipation is the cause of much discomfort. Mothers should watch closely the condition of their children's bowles and see that they are regular. A mild, pleasant tasting laxative such as Dr. Caldwell's Syrup Pepsin, is ideal for children because of its natural composition and gentle action, and because it contains no opiate, narcotic or other harmful habit-forming drug. Dr. Caldwell's Syrup Pepsin is sold by druggist's everywhere. A teaspoonful at bedtime will bring easy, certain relief.

A free trial battle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticelio, Ills.

Well-known Lutheran Minister Believed to Have Forged Name to Notes

Special to The Telegraph

Selinsgrove, Pa., March 29.—The veroner's jury yesterday was able to throw no light on the mysterious death Friday night of the Rev. Dr. Charles M. Aurand, one of the most prominent. Lutheran ministers in Pennsylvania. The death of the minister came under suspicious circumstances and the verdict of the jury stated that his "death came from causes unknown." The Rev. Mr. Aurand came here nearly a year ago, suffering from a general shreakdown in health and was partially demented for the past two weeks. The sead of the minister's wife did not know of her husband's alleged financial operations and is prostrated over the disclosures. He had apparently been in good health, and his illness did not develop until Thursday night, a few hours after he had been notified by Roscoe C. North, cashler of the First National Bank, and Keemer C. Walter, cashler of the Farmers' National Bank, that those institutions held notes discounted for him, on which alleged note indorsers furnished the banking institutions signed statements that their names had been forged.

Doctor Aurand at the conference with the bankers, when told that his intimate friends repudiated the signatures, raised his right arm to heaven, and swore: "As God is my judge, they signed them." He then went to a nearby drug store, and after loitering alone in the rear of the apothecary for more than an hour, he went to his home. He was taken violently ill during the night and Friday morning lapsed into unconsciousness from which he never rallied.

The discovery of the alleged fraudulent paper was made Monday night, when Cashier Walter told Dr. Thomas C. Houtz, head of the department of mathematics in Susquehanna University, that the Rev. Doctor Aurand's hour indoressed Doctor Aurand's hour indoressed Doctor Aurand in any bank.

A conference was held with the First National Bank next morning.
