"The Thinkers of the Country Are the Tobacco Chewers"—said one of the greatest thinkers this country ever produced.

Says the Ball Player: "There wouldn't be many double plays pulled off, if we players didn't think pretty straight and quick and right. We need snap judgment but it's got to be good judgment too.

"We can't afford to get up in the air except when the ball's up there." "That's why we use PICNIC TWIST instead of a dark, heavy tobacco. PICNIC TWIST is mild and it's better than water for keeping you from getting dry."

Men everywhere are finding that there's all the tobacco satisfaction in a mild, sweet, long lasting chew of PICNIC TWIST without the "comeback" on the nerves, found in strong tobacco. Try one of these soft twists of the mild, mellow part of the leaf and see for yourself.

bureau for licensure of practitioners of drugs and therapeutics was defeated by a vote of 64 yeas to 76 nays after over an hour's debate. A Remedy For Children ---Kidney Trouble I have a boy who had the bad wetting habit from infancy, and also had much trouble with his kidneys. Two years ago they became so bad, and having tried a great many remedies without relief, I consulted a doctor who advised me to try Swamp-Root. I obtained one fifty-cent bottle and he had not taken more than three-fourths of it when he became entirely well, and has not been troubled since. To any parent who has a child suffering from these troubles, I cheerfully recommend Dr. Kilmer's Swamp-Root and consider it a wonderful medicine. Yours very truly, L. A. GROGAN, Goodwater, Alabama.
