

Stieff Big Removal Sale Ends To-morrow

If you are planning to put a piano or player piano in your home for your own or "for your children's sake"—don't "hesitate!" Tomorrow, Wednesday, March 31, marks the end of our Big Removal Sale, during which we are offering every instrument in our ware-rooms at

10 Per Cent Off.

Thursday we will move to 212 North Second street, where we will establish temporary headquarters during the rebuilding of our store.

Once in our temporary quarters, prices will be as usual. So NOW is the psychological moment. The Stieff piano is known throughout the nation as—"the piano with the sweet tone." To be known as such it MUST be of the highest quality. Stieff rates are right.

Stories of children of Japan, with views illustrative of the schools visited were given by Miss Amelia Durbin, who said that "thirst for knowledge is characteristic among all classes in Japan. School children attend school eleven months of the year and six days on the week, Saturday not being a holiday. Part of the year is spent in the mountains in the morning. They do not understand what truancy means, for they never miss school unless very ill indeed."

A resolution protesting against the repeal of the censorship on moving pictures was passed by this association.

TRUTH'S MOTTO

"By Strength Shall No Man Prevail." I Sam. 2:3.

However the battle is ended, though proudly the victor comes with fluttering flags and prancing nags and echoing roll of drums. Still Truth proclaims this motto in letters of living light.

No question is ever settled until it is settled right.

Let those who have failed take courage. Though the enemy seems to have won, though his ranks be strong, if he be in the wrong.

The battle is not yet done. For sure as the morning follows the darkest hour of night, no question is ever settled until it is settled right.

—Ella Wheeler Wilcox.

Beautiful Hair Is Every Woman's Birthright

Who does not love a head of pretty hair? Some women think it is a gift of nature and envy their more fortunate sisters. If your hair is not fluffy, soft and lustrous, is falling out, streaked, faded, brittle, or full of dandruff, do not think it must always be that way, for pretty hair is only a matter of care and proper nourishment of the hair roots. Hair is something like a plant—if neglected it soon withers and dies, while a little attention keeps it fresh and beautiful.

Parian Sage is a scientific preparation that supplies just the elements needed to invigorate the hair roots and stimulate the hair to grow long, thick, fluffy, soft and lustrous. It removes dandruff, itching, and quickly stops itching head and falling hair. It is the ideal hair tonic and scalp treatment for men, women and children—contains nothing injurious, is delicately perfumed and inexpensive.

H. C. Kennedy or any drug counter can supply you with Parian Sage; and you cannot possibly be disappointed with this delightful and helpful toilet necessity, for it surely will give the hair the beauty and charm of youth.—Advertisement.
