## YALE AND PENN CREWS DRILL ON SCHUYLKILL

### Eli Oarsmen Have Two Workouts; U. of P. Crews Do Light Work

Philadelphia, April 1.—Both the Yale and Penn crews, which will compete in the dual races on the Schuylkill river on Saturday, were out on the river yesterday for a final tuning up before the big early-season affair.

Arriving in the city at 7 o'clock yesterday morning, the Eli oarsmen were met at the West Philadelphia station by Coach Vivian Nickalls, Captain Vaughn Merrick and Manager Fred Davis, of Penn's crew. After the Nickalls brothers had greeted each declaring that his proteges would be the victor in Saturday's race, the Yale oarsmen were distributed among the fraternity houses at the University.

At 10 o'clock Guy Nickalls had the New Havenites out on the river for a practice spin, and both varsity and junior varsity eights covered a course of two miles.

In the afternoon the Yale crews were again on the river, rowing over the course of Saturday's race.

Penn's crews were given an easy workout yesterday.

## CENTRAL HIGH GIRLS WHIP INDIAN MAIDS

### Local Team Jumps Into Game From Very Beginning and Wins; Score, 31 to 14

The game was slightly rougher than is usually put up by girl teams, but the Central co-eds had the jump on the visitors from the first minute of play. For Central, every player was a star, and Miss Kausky won much admiration for playing with a wrenched thumb and sprained ankle, received in practice. ## RED ROSE TOSSERS CONTEST INDEPENDENT "CHAMP" CLAIMS

### Want Harrisburg Team to Play Third Game to Decide; "Are You Game?" Asks Manager Hiemenz

Basketball fans in Lancaster are of the opinion that the Red Rose tossers have more claims to the basketball championship of Eastern Pennsylvania than the Harrisburg Independent team.

Their claims are based on the comparison of the scores of the two games, one at Lancaster, the other in this city, between the teams. The Lancaster team defeated the Independents at Lancaster, score 38 to 23. The Independent team defeated Lancaster at Harrisburg, score 40 to 21. Total points scored by Lancaster in two games, 67; by Harrisburg, 62.

The Lancaster supporters and team claim that in the last game with the local five, Shaub, the mainstay of the Lancaster aggregation, was out of the game because of business. The Lancaster boys now want the Independent to play a third game on a Harrisburg floor, in order to decide the claim. The Lancaster manager requires a neutral official for the game and a division of floor receipts on a 60-40 basis.

The claim is ended with "Harrisburg, are you game?" and is signed by H. John Hiemenz, manager of the Lancaster team.

## JOHNSON NOT FIT FOR A LONG FIGHT

### Nevertheless Jack Declares He'll Whip Willard in 20 Rounds or Less

Havana, April 1.—Fans of the sporting world who have seen Johnson and Willard training for the heavyweight championship bout on April 4 between the two fighters say that Johnson is in no condition to stand a long fight.

Despite this fact the black laughs and says that he expects to whip Willard in twenty rounds or less. His best chance, it is said, is to beat Willard in the first rounds of the game, because if the white draws out the fight even supporters of Johnson express doubt about the result.

Some trainers who have seen Johnson at training declare that he will be a physical wonder if he wins in the bout with Willard. Some of the trainers also watched the black several days and announce that if he feels like training he does, and if not, no training that day. He is also said to eat anything he wants, sleeps when he pleases and generally is reported to be his own trainer. He claims that all of his excess fat is removable and that he expects to tip the scales at about 225 pounds on the day of the bout.

Willard and Johnson both express confidence in the result, each picking himself as the winner. The black claims that the result is an easy thing to decide. Willard announces that he is not sure of the length of the bout. He says that if Johnson blocks and clinches, covering up blows, he will have a long-drawn-out fight, but that if the black stands up and fights he will defeat Johnson in the early rounds.

Both pugilists have been careful in training the past few days, owing to the hot weather. Temperatures above 80 are recorded during the day.

## 102 SCHOOLS ENTER PENN RELAY MEET

### Local High School Teams Will Be Selected Within the Next Three Weeks

Philadelphia, April 1.—Entries from the high schools for the University of Pennsylvania's relay races on April 23 and 24, in which Central, Tech and Steelton high schools will compete, have reached the enormous total of 102. This is a big advance over the number of high school teams which entered last year and makes a new record for the representation of high schools at any meet.

It indicates the very high importance in which these games are held by the headmasters of all the schools in the country. New records have also been made this year in the number of entries for all of the different classes. More preparatory schools, more grammar schools and a larger number of colleges than ever before are now entered on the list. The number of teams entered up to yesterday was 307. The closing of entries for the class events came to-day.

Selections for the local teams going to Philadelphia will be made within three weeks.

**CARUSO**

World-famous Tenor, says:

"Tuxedo completely satisfies my tobacco taste. It is mild and has a delicious flavor. Most important of all, from a singer's standpoint, Tuxedo does not irritate my throat."

**"Tuxedo Does Not Irritate My Throat"**

The non-irritating quality of Tuxedo which Caruso praises is due to the original "Tuxedo Process" by which the tobacco is treated. This process refines the tobacco and absolutely removes all bite and sting.

Many thousands of men think they cannot smoke a pipe, for fear the tobacco might burn or parch their mouths. Tuxedo has done away with any such possibility. You can smoke Tuxedo all day long, without any irritation whatsoever—indeed, with increasing pleasure.

is made from rich, mild, fragrant Kentucky Burley—acknowledged to be the finest pipe-tobacco in the world—aged until it is pipe-perfect and smokes coolly and slowly.

You cut off an inch of inspiration and real joy every hour you stay away from Tuxedo. Because it's so good, so true, so delicious, so fragrant, its memory lingers every time your smoke-appetite gets tuned up.
