

THE GERMAN WOUNDED

Berlin, April 6.—(By wireless to Sayville, L. I.) The Germans are terrifically systematic about their care of the wounded. All their men found on the battlefield receive a "first aid dressing." Each is tagged with a card which indicates whether he is badly hurt or not. From the battlefield the wounded men are taken back to the field hospitals or to headquarters. A man may be badly wounded and yet be back on the firing line in three months. Good pure blood is what helps the soldier through—his wounds heal easily after antiseptic dressings. It is well for everybody to put the blood in good order. Don't trifle with health! It's too precious a possession.

It is trifling to neglect the little every-day kind of ailments. It is trifling, too, to take medicines of unknown or doubtful ingredients. If your stomach is out of order, your food is not digested and you become weak, your blood gets thin and you become weak, ready to be a prey to the diseases which are always ready to attack the run-down and the emaciated. If your liver can't do its work, your blood becomes impure and many troubles follow. If your bowels are irregular, poisons accumulate in your body. Dr. Pierce's Golden Medical Discovery (in tablet or liquid form) helps the stomach to digest food properly, strengthens the liver, regulates the bowels, and cleanses the system. It is vigorous, full of snap and life! Fifty years ago Dr. Pierce discovered that a glyceric extract of Golden Seal and Oregon grape root, of queen's root and bloodroot with black cherry bark would aid all the digestive organs to work as Nature intended they should. Thousands have found that the "Golden Medical Discovery" has restored them to health when suffering from stomach and liver troubles. Now is the time to try this famous remedy.—Advertisement.

How Fat Folks May Become Slim

A SIMPLE, SAFE AND RELIABLE WAY THAT CALLS FOR NO DRASTIC DIET, OR TIRE-SOME EXERCISES To be excessively fat is very mortifying. People who are stout are mighty sensitive on this subject. Style and fat folks are strangers. Therefore those who are carrying around a burden of unhealth and unsightly fat will be glad to know that they can reduce their weight without starvation diet or tire-some exercises. If you have been getting too stout of late and wish to reduce your weight in a simple, safe and reliable way, spend just a few minutes each day in the open air, practicing the exercises around which any good druggist take a box of oil of korein capsules; take one after each meal and one before retiring at night. Weigh yourself once a week so as to know just how fast you are losing weight, and don't leave the treatment over or skip a single dose until you are down to normal. Oil of korein is absolutely harmless, is pleasant to take, helps digestion, keeps the liver and is designed to reduce fatty accumulations in the system wherever located. Even a few days' treatment should show a noticeable reduction in weight, the flesh should become firm, the skin smooth and the general health improved. After a few days' treatment you even become lighter, your work seem easier and a lighter and more buoyant feeling take possession of your whole being. If you are a person who is ten or fifteen pounds over normal weight about this treatment a trial. You will probably find it is just what you need.—Advertisement.

NEWS OF THE RAILROADS

PENNSYLVANIA R. R. BEST MONEY EARNER

New York Bankers Say Road Is Exceptionally Well Located; Has Comfortable Surplus

That the Pennsylvania Railroad is one of the most efficient managed in the world is shown in a bulletin of the National Bank of New York which says: "The Pennsylvania Railroad is the best money earner of them all, exceptionally well located for concentration of traffic and with rights of way, terminals and physical properties that could not be acquired and reduced now for anything like the capitalization of the company." Since 1898 the standing stock of the Pennsylvania lines has increased \$269,893,600. During the same period \$44,102,928 was derived from surplus earnings and invested in the property. With few exceptions the dividend upon stock has been six per cent. Until December 31, 1914, the stockholders had borrowed \$142,549,000, and put it in the property ahead of their stock. Nevertheless the earnings did not decrease. The total obligations of the road at the end of 1914 were \$736,155,247. The total operating expenses for the year ending June 30, were \$184,866,108, and \$9.5 cents of every dollar went to pay operating expenses and taxes. The surplus above dividends or the margin of safety in 1914 was \$5,800,000.

STORING CARS Steel cars ordinarily used to transport coke are being stored by the Pennsylvania railroad on various sidings of the Middle division. The cars are chiefly of the H-21 type.

TOBACCO HABIT A very interesting book has been published on tobacco habit—how to conquer it quickly and easily. It tells the dangers of excessive smoking, chewing, snuff using, etc., and explains how nervousness, irritability, sleeplessness, weak eyes, stomach troubles and numerous other disorders may be eliminated through stopping self-poisoning by tobacco. The man who has written this book wants to genuinely help all who have become addicted to tobacco habit and says there's no need to suffer that awful craving or restlessness which comes when one tries to quit voluntarily. This is no mind-cure or temperance sermon tract, but plain common sense, clearly set forth. The author will send it free, postpaid, in plain wrapper, with giving name and full address—a postcard will do. Address Edward J. Woods, 32 E. Station, New York City. Keep this advertisement, it is likely to prove the best news you ever read in this journal.—Advertisement.

Bisurated Magnesia For Stomach Troubles

In these days of almost universal indigestion, dyspepsia and other stomach trouble the recent announcement by a great specialist that pure bisurated magnesia is an almost infallible remedy for nearly all forms of stomach trouble, will come as a welcome surprise to many. Bisurated magnesia is a little water immediately after eating or whenever pain is felt, neutralizes the excess acid and instantly stops the fermentation and pain. Those who use bisurated magnesia regularly for a week or two usually find that the trouble has entirely disappeared, and normal digestion is completely restored.—Advertisement.

Every train which entered the city since early this morning contained large delegations of local optionists. The Philadelphia contingent arrived shortly before noon in special trains. They took a prominent part in the big demonstrations.

The hundreds of men detained they lined up and marched through the streets, waving banners. It was a widely hilarious crowd and none appeared to doubt that the Williams bill would carry.
