THERE were thousands of people in the churches of Harrisburg

last Sunday. Some of those people

do not go to church very often dur-

ing the year, but they go on Easter

day commemorates the triumph of Life over Death, so every Sunday commemorates Christ's salvation of us. We should gladly embrace the opportunity to show our gratitude of that salvation. One of our best means of showing it is by going to church. If you are one of those who go to church on Easter Sunday only, the churches of Harrisburg make an especially strong appeal that on every Sunday you

He says: The business and professional men of the Republican party in Pennsylvania indicated by their presence in Havrisburg last Tuesday that they want local option. At one of the great meetings in Chestnut Street Hall a resolution was adopted, asking the churches of the State to observe next Sunday, April 11, as local option Sunday. Derry Street S. S. Class Forms Baseball Team

or the state to observe next Sunday, April 11, as local option Sunday.

This is a splendid thought, and I hope that, following the demonstration of the businessmen, the church will make another great demonstration in favor of the Williams local option bill.

It is particularly appropriate that next Sunday should be devoted to work and prayer for local option. The Williams bill is to be reported out of committee next week, and any step which means so much for Pennsylvania should be taken only after prayer.

I trust that every minister in every church in this great Commonwealth, which we all love so well, and for whose future we are working so earnestly, will dedicate a portion of this day to forwarding the local option movement. Class No. 15 of Derry Street United Brethren Sunday school held a social in the church Thursday evening and elected the following officers: President, G. H. Gilbert; vice president, F. A. Manley; secretary, G. Wilson; treasurer, H. Sides.

A baseball team was organized and the following officers elected: Manager, Gilbert; captain Wilser.
