Spend as much time as you possibly can in the open air, breathe deeply, and get from any drug store a box of oil of korean capsules, take one after each meal and one before retiring at night. WEDDING ANNIVERSARY. Is Notable in Covering a Long Period of Married Life. Mr. and Mrs. Cameron M. McCormick, of 1716 North Sixth street, celebrated the 55th anniversary of their marriage yesterday at their residence, giving a most complete refutation to the slogan that "Marriage is a Failure." Fifty-five years of married life, forty-nine of these spent in the same house; rearing a family of four sons, all living; eight grandchildren and one great grandchild; surely this is a strong argument in favor of the marriage institution. Mr. McCormick is enjoying the autumn of their days in long walks to the mountains, Wildwood, the river and other points of interest and can vouch for the truthful maxim: "Fresh air is God's greatest blessing."

Blood Risings Begin A Mere Speck

Stop Them From Growing Large and Dangerous.

Nearly everyone who uses S. S. S. for the blood recalls a friend who went through untold suffering as the result of a mere pimple or small blood. A host of people did not realize, until too late, what may result from a slight skin eruption. But they recovered if they used S. S. S., and in almost every village and hamlet, every crossroad and away back off the road is someone who will tell you how S. S. S., the famous blood purifier, restored his health. It is a most interesting fact that this remarkable vegetable medicine overhauls the blood in a manner that excites curious minds. But it acts in accordance with accepted physiological laws and yet its effect is almost beyond comprehension to those who are wedded to such drugs as mercury, calomel, arsenic, iodine, potassium, copper and other baneful influences which all the world bears silent testimony to their destructive tendencies. S. S. S. is indeed a nature's tribute to what we need and it is worthy of note that in almost any drug store throughout the country you will find it regularly in stock. Get it today. And if you believe yours is a peculiar case, write to the Medical Adviser of the Swift Blood Purifier, Swift Bldg., Atlanta, Ga. Our word for it, he is one of Georgia's approved specialists in blood and skin diseases, and proud of his name and of his recognized ability.
