MAJOR LEAGUE TEAMS START SEASON TODAY

In Many Cities the Time-worn Opening Programs Were Missing; Simply Baseball

New York, April 14.—For baseball fans throughout the country this was the most memorable day of the year, the day for which they had waited six long months, the day of the opening of the big league season. The Washington Weather Bureau promised fair weather to greet the thousands who were to gather in baseball parks in the East and the West to welcome old favorites and new faces on the diamond.

All the disputes and legal tanglements of the winter were temporarily thrown into the discard so far as the spectators were concerned at the signal to play ball. In accord with custom, the great game was to receive official endorsement by President Wilson in Washington in tossing the first ball upon the diamond, while Mayor Mitchell, in New York, and other officials in various cities performed similar functions.

President Tener On Hand President John K. Tener, of the National League, planned to attend the opening game of the New York and Brooklyn clubs at the Polo Grounds here. The league's president was in an optimistic mood.

"I feel that this race will be the closest we have ever fought," he said. "Our strength is well matched. Boston and New York, of course, have fine clubs, while St. Louis and Chicago have fighting teams that will not take defeats without giving their opponents a great battle. The Phillies have the greatest pitcher in America in Grover Alexander, and that counts. Cincinnati, it is said, will fool a lot of folks. Herzog has those boys out there hustling and will put up quite a fight to get in the first division."

New York Has Four Teams New York fans figured that with four teams in this city, including Brooklyn with its Federal League club, there ought to be a fair chance of winning one of the three big pennants.

Locally the pomp and ceremony which formerly signalled the opening games had been abandoned. There were to be no speeches nor parades. Jeff Tesreau, for the Giants, and Jeff Pfeffer, for Brooklyn, were the opposing pitchers selected for the first game of the season. The schedule for today follows:

American League—Boston at Philadelphia, New York at Washington, Cleveland at Detroit, Chicago at St. Louis.

National League—Phillies at Boston, Brooklyn at New York, St. Louis at Chicago, Pittsburgh at Cincinnati.

JOHN ("MUGGSY") MCGRAW—GIANTS

The leader of the New York National League club started the season today hopeful. He makes no promises at this time. McGraw lacks the enthusiasm shown in former years at the top of the first bell. The Giant leader predicts no pennant. He is not pleased

with the ruling to cut down the number of players, and is of the opinion that it will work a hardship on his team. However, McGraw is not a quitter, and the New York manager may have something up his sleeve which will be pulled later.

NO TEAM AT HAGERSTOWN

Special to The Telegraph Hagerstown, Md., April 14.—It begins to look finally that Hagerstown will not be represented in the new Blue Ridge Baseball League this season because of the failure to secure grounds. The Hagerstown Fair Association has refused to give the use of the fair grounds again this year for a ball park and no other suitable location has been found.

Pathfinders for the publicity run of the Motor Club of Harrisburg next month returned to Harrisburg at 5:30 last evening.

The run starts on Monday, May 10, and will end Wednesday, May 12. The run is under the management of George D. Proud, who has arranged a special program at various checking stations and for the night controls.

The Harrisburgers were given a warm welcome at Wilmington, where fifteen trophies will be awarded. The Rotary Club of Wilmington will present a special trophy. The Lancaster Chamber of Commerce has also added a trophy to the list. To date, notwithstanding that entry blanks have not been sent out, there are thirty-three automobiles signed up for the run.

ACADEMY RUNNERS GET GOOD POSITION

Will Have Sixth Position in Relay Race For Prep Schools; Yale Is Lucky

In the drawings for the relay races at Franklin Field, Philadelphia, April 23 and 24, the Harrisburg Academy fared well. In the Prep school class they will hold sixth position.

The Central, Tech and Steelton high school runners hold positions above ten. There are frequently changes, however, because of the failure of some teams to report.

All Harrisburg teams are working hard each day. The Central and Tech teams are cut every afternoon on the Island track, while the Harrisburg Academy runners practice on the Academy field. In the selection of the teams to run at Philadelphia, coaches are moving slowly. It is said that several new men may be found on both the Central and Tech teams. In the college drawings Yale was lucky.

PENN PLAYERS WIN AGAIN

In the pocket billiard series the Penn Pool Parlor teams won from the Hess Parlor players last night. "Billy" Adams and Gordon, of the Penn team, defeated Herman Bain and S. Long, score 100 to 85. G. BALDWIN TEAM READY

The Baldwin Hose Company of Steelton has joined the baseball bugs and will have a strong team in the field. It is probable that the Steelton fire companies will also have a series. The Baldwin Company wants games with the Harrisburg fire company teams. The manager is George Enney, of the Baldwin Hose Company.

TO REQUIRE SCHOOLS TO PAY LESS RENTAL

Commissioner Lynch Urges City to Assure Reduction to Central and Tech For Island

Reduction in rentals for the use of the Island Park football field for Central and Technical high schools will likely be insisted upon by the city in the future from the Pennsylvania Exhibition company if the Council passes the ordinance offered yesterday by Harry F. Bowman, superintendent of public safety.

City Commissioner W. H. Lynch, superintendent of streets and public improvements, urged that Council in fixing the term of years of the new lease and the sum of rent to be charged the company, provide as satisfactorily as possible for the accommodation of the local high schools.

Lynch Favors Low Rate The measure will really not be read for the first time until next Tuesday as the commissioners in the meantime want to discuss the tenure of the lease as well as the rent.

There will be two squads of candidates and work will continue most of each afternoon. The practice will last three weeks and there will be the regular contests in kicking and passing.

Don't stow this away under your hat. Use it!

Here's the dandy-handy package that's full of the tobacco that lets men know what a good time they can get out of a pipe or makings cigarette.

PRINCE ALBERT the national joy smoke

is genuine, pipe-joy plumb full of smoke happiness and that means flavor and fragrance and dream stuff. But the one thing that puts P. A. in solid is the famous, patented process that has sent the tongue-torture kinds back to the hills. The patented process

that makes P. A. so friendly is controlled exclusively by us. That's why we say there never can be another tobacco as biteless as P. A.

Prince Albert is sold at all smoke stations. The tidy red tin, 10c; the tippy red bag, 5c; also, pound and half-pound tin humidors.

Here's a hunch: We sure do recommend to our friends the 16-oz. crystal-glass humidur with the sponge in the top that keeps P. A. in fine condition. One home, one at the office, always assures some smoke!
