A Harrisburg man who admired the books of Henry Herbert Knibbs, author of Overland Red and other stories, wrote to him away out in Los Angeles telling of his interest in his books. Mr. Knibbs wrote to the Librarian, Miss Alice R. Eaton, to kindly do what she could for him. It happens that the man got the books from the Library which his friends have been reading to him, as he is blind and seriously ill. As a result some special allowances for time on books have been given to him and the best of reading matter provided.

It might be added that the Library has been able to meet probably the greatest list of questions ever asked of an institution in the city lately. During March no less than 349 questions were asked of the reference desk and they ranged all the way from information on the best makes of tennis racquets to addresses of business firms in Philadelphia and how to get supplies of various kinds. The Library was asked for about twenty historic dates and for information on matters pertaining to the countries at war and the tonnage of their battleships.

RICE WITH CHEESE

Wash one cup rice and cook in two quarts boiling water. Boil hard to keep grains separate and lift occasionally with a fork to prevent sticking. Drain in a colander, and set in the oven a few minutes to dry out. Put a layer of cooked rice in a buttered baking dish, cover with a layer of grated cheese, then add a layer of white sauce, made by melting two tablespoons of butter in a saucepan, adding two tablespoons of flour and stirring until smooth, then pouring in one cup of milk and boiling five minutes. Season with sait and pepper. Add alternate layers of rice, cheese, and white sauce until materials are used, then cover with buttered crumbs and bake until crumbs are browned.—Farm Life.

Public Menaced by Coughing

People with coughs and colds spread the disease to others by blowing and sneezing germs in their faces. There's no excuse for it when Goff's Cough Syrup will make an obstinute cough or cold vanish in a short time. It quickly loosens a tight cough; soothes and healthe soreness in a painful cough; raises the phlegm and ends a constant hacking or loose cough. The bill carries \$1,600, to be divided between the fourteen companies on an equal basis. It is a bill that is passed every session, dating back from the eighties, and forms an important item in the lists of the volunteer fire companies. When presented the bill called for \$6,500, but this was reduced.
