There's No Touch of Sameness in These Dollar Waists

Striped dimity, dotted and figured Swiss and striped voile waists are seldom shown in such excellent grades as you will find here tomorrow for \$1.00. Some are made with a dainty touch of blind embroidery, some are hemstitched on the collar piece and others are effectively made with a vest of organdie. You'll like every style shown in this new group.

Equally fascinating are the waists that have been coming in this week to sell for \$1.95. There are white voiles and stripe batiste Royal garments in styles that are very fetching.

A particularly pleasing waist is finished with lace and organdie insertion.
