in Metal

New York, April 20. — Irregular ten-dencies were again operative at the opening of to-day's stock market, a matural result of yesterday's confusing close. Rock Island was the feature, with an initial sale of 4,000 shares at 32 to 31, against yesterday's close of 34. Le-high Valley was strongest of the rail-way issues, rising three points in Cop-ners are of one to three points in Cop-ners are of one to three points in Cop-tably Maxian Fed forward, contributing factor being the announcement of a further advance in metal prices.

Entire List Moved Forward Later Counsel For William Barnes Offers

His Side in Big Suit

For Libel

By Associated Press By Associated Press Stracuse, April 20.--Counsel for William Barnes in his suit for alleged libel against Theodore Roosevelt rest-ed their case to-day after they had offered evidence calculated to provo-publication of the alleged libelous statements uttered against the former committee by the former President of the United States. M. Barnes' counsel placed only one winess on the stand. He was John McGrath, Col. Roosevelt's private sec-retary. He testified that he gave out the statement complained of to news-paper reporters at Oyster Bay. The case of the plaintiff was rested after counsel for both sides had de-livered their opening addresses to the iuver and one will was heard. William M. Ivins, for Barnes, pictured the ex-President as having been the na-tion's greatest arbiter of morals and said that he was now in court with an opportunity to prove the alleged lib-elous things he had said about Mr. Barnes, described the colonel as the champion of good and honest govern-ment and said that he had been prompted to make the statement by the belief that there was corruption and rottenness in the administration of the government of the State of New York. He reiterated the state-yeit meant nothing personal to Mr.
