ADDITIONAL FUNDS FOR NEW EQUIPMENT

Pennsylvania Railroad Places Orders For Lines West of Pittsburgh

Where Money Will Go For P. R. R. Equipment

LINES EAST To cost \$20,000,000. 146 all-steel passenger cars, 9745 freight cars, 144 locomotives.

\$8,000,000 to the appropriation for new equipment. The additional cash is for lines west of Pittsburgh. This makes a total of \$28,000,000, to be expended for improved system on the entire system.

The statement issued by the management at Pittsburgh state that the company yesterday merely made known the requirements and did not give the amount to be expended upon the material and equipment. It was estimated, however, as being nearly \$8,000,000.

The expenditure as contemplated by the management of the Pennsylvania will boom business in each of the industries directly affected. Now that the Pennsylvania has made known its total requirements for the ensuing year the other carriers are expected to issue some statement within the next few weeks.

At the present time there are about 90,000 freight cars on the lines west with an annual normal vacancy of 5,000 cars. In 1914 no new cars were ordered. Those to be built this year will be as replacements to the present equipment.

Counting the inquiries made by the lines east and those by the lines west, the Pennsylvania system has now asked for prices on material and equipment which includes 16,245 freight cars, 194 locomotives and 181 all-steel passenger cars.

a perfect record. On the electric line of the West Jersey and Seashore Railroad out of 2,450 trains 98.2 per cent. arrived "on time."

A WOMAN DOCTOR

mys. "Eugenics is a necessary factor in the future of the race. The average American girl is unfit for motherhood." This may be true, but if weak and ailing girls passing from girlhood to womanhood would only rely, as thousands do, upon Lydia E. Pinkham's Vegetable Compound—that simple remedy made from roots and herbs,—to restore the system to a normal healthy condition, it would cause many ills from which they suffer to disappear, so that motherhood might become the joy of their lives.—Advertisement.
