HOW TO RELIEVE

KIDNEY PAINS

I have used Swamp-Root more or less this last few years, and have always got great relief. About three months ago I was taken down with severe pains through the back and limbs. I was very nervous and was very restless at night. I began taking your Swamp-Root and before I used a half bottle I felt great relief, and I kept on taking it until I began to feel myself again. I have recommended it to my neighbors and frlends, and several of them informed me that they have been greatly benefited by using it. I cannot say enough for Swamp-Root, and I heartily recommend it for Kidney trouble and Rheumatism.

You have my consent to publish this statement. I am 77 years old. Dr. Kilmer's Swamp-Root has saved my life.
