HARD COAL PROBE IS IN HANDS OF SENATE

Vare Puts in Resolution Proposed by Governor to Investigate Prices

A joint resolution calling for an investigation of the charges that operators of anthracite mines and retail dealers arbitrarily increased the price of hard coal 25 cents a ton because of the hard coal tax of 1913, which on the average did not levy a tax of more than 5 cents a ton, was introduced in the Senate last night by Senator Vare, of Philadelphia, at the instance of Governor Brumbaugh.

To-day We'll Tell of Another Deluge of Bargains in Our Great 4-Day Stock Reducing Sale

(Remaining Days: To-morrow, Thursday and Friday) It's to be remembered that during rebuilding operations certain portions of our stocks (mostly surplus) must be cleared out on account of decreased selling space. There are numerous "Rummage Lots," to be sure, and on these are most strikingly low prices. Every item here tells of a saving, and many more, not mentioned here, afford unusual savings. When you come to this sale to-morrow look for the blue lettered price cards.
