KEEP URIC ACID OUT OF JOINTS

Tells Rheumatism Sufferers to Eat Less Meat and Take Salts

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat; but drink plenty of good water.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Not a Particle of Dust Will Fly up to Choke you—your ornaments will be as dust free after you sweep as before.

Nomordust
DUSTLESS SWEEPING IS NOW POSSIBLE

You know about dustless dusting, but do you know about dustless sweeping? Then listen: There is a sweeping compound—a powder called Nomordust. You simply spread a little across the room—then sweep it ahead of you as you go.

Not a particle of dust will fly up to choke you—your ornaments will be as dust free after you sweep as before. Nomordust collects the dust—ordinary sweeping spreads it.

But this is not all. Nomordust enables you to sweep a room clean in half the time and you only have to sweep half as often, for you get all the dirt each time—it clings to the powder, this gives you much time for leisure.

As one housekeeper said, "Now that I use Nomordust, it's just as though I had another maid." Yet Nomordust costs but a few pennies a month. Nomordust makes carpets look like new—it brings out the original color. Fine for wood floors and linoleums.

A Nomordust home is a sanitary home, for in dust clouds lurk dangerous disease germs, and a Nomordust home is a dustless home.

Try Nomordust at our risk. Get a 10c can to-day. If you're not more than pleased, the grocer will refund your money without question.

A Smooth, Hairless Skin For Every Woman
(The Modern Beauty)

With the aid of a plain delatone paste it is an easy matter to rid the skin of unsightly hairy growths. The paste is made by mixing some water with powdered delatone. This is applied to the hairs and, wanted and after 2 or 3 minutes, rubbed off and the skin washed, when every trace of hair will have vanished. When you go to your druggist for delatone, be sure you get the genuine article.—Advertisement.
