QUEEN VICTORIA AND 'PAINLESS CHILD BIRTH'. That Queen Victoria of England was among the first to experience child-birth without pain, is one of the remarkable facts brought out in 'Painless Childbirth'...

IT WAS SMALL. Pretty Ruth Chatterton, although busy just now winning smiles and tears at the Gaiety Theater, still finds time for a good story.

DOUBTED THE STORY. John Westley, distressed husband in the 'Twin Beds' company, at the Fulton Theater, claims that the best way to evolve a sense of humor is by constant contact with humanity.

LURES USED IN BASS FISHING. With the production of a very light, free-running 'trolling-spoon' or spinner, came the final adoption of the lures that now constitute the total equipment of baits for all seasons used by representative sportsmen.

HOW TO TREAT A RIFLE WOUND. In the case of a wound from a rifle bullet, don't go probing for the bullet, but remove from the surface of the wound all shreds of clothing and other matter which the bullet may have carried into the flesh.

NIGHT FLY-FISHING FOR TROUT. 'My rod was of split bamboo, nine feet long, with considerable backbone, and weighed just a fraction under five ounces. I would not advocate a lighter or more willowy rod for fly-fishing unless the wielder was absolutely familiar with the stream to be fished, even so one will be surprised at the low-hanging branches reaching out to intercept his rod or entangle his flies.

CAN WOMEN EVER REALLY BE INDEPENDENT OF MEN? In the May Woman's Home Companion Anne Bryan McCall, writing a 'Tower Room Talk' on 'The Independent Woman,' says in part: 'The question we should be asking ourselves to-day is not how independent we are of men, but rather whether each day sees some new bond established between our lives and theirs, and whether our interests and ideals and acts are bound up with theirs.

A Simple Way To Remove Dandruff. There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring, use enough to moisten the scalp and rub it in gently with the finger tips.

CHILD STARTS EARTHQUAKE. Hell Gate in New York harbor was a menace to the shipping interests of the port. The government decided to remove the dangerous obstruction. For years men tunneled under the river. They stored tons of dynamite in the honey-combed rocks. They attached an electric cable to the mines. Upon an appointed day the banks of the river were lined with thousands of spectators. Many were doubtful as to the efficacy of the engineery to be employed in the destruction of the mountain rock beneath the water.

THE RIGHT GOLF BALLS. Golf is one of the few games that has not adopted a standard ball. There are only two distinct kinds of markings—the sunk markings, which are the balls where the marking is indented, and the raised markings, better known as the bramble or pebble marking.
