"Kantturn" Umbrellas, 95c

Has your umbrella ever turned inside out? If so, you will welcome the arrival of the "Kantturn" Umbrellas. There are a great many new frames on the market that have merit, but none as practical as this new frame introduced in Harrisburg by Bowman's. The "Kantturn" is fitted with a double frame in such a manner as to obviate its turning inside out, even in a stiff gale.

The COVERING of these umbrellas is a water-proof material that will give service, the HANDLES are of natural and mission woods in the newest styles.
