The Greatest Suit and Coat Sale

We Ever Attempted in the Spring Season To Begin SATURDAY MORNING (To-morrow) at 9 O'clock

The store will not OPEN UNTIL 9 O'CLOCK—TO GIVE YOU good and quick Service. The new law prevents us from having our full force come on before this hour. THIS HAS BEEN THE BIGGEST SPRING SUIT SEASON all over the country in the history of the Cloak business—HUNDREDS OF WOMEN and Girls have not yet purchased their Suits and Coats. There has been very little occasion for us to reduce SUITS and COATS this season—for the reason that our purchases were so well planned, that new garments came just about as fast as they were sold. Consequently, the entire stock is new—but better news to follow. Our 25 years of Suit and Coat buying has taught us when the maker would need business to cut up his balance of cloth and keep their organization together. Last week our three buyers—Harrisburg, Lancaster and Williamsport—went to the Philadelphia and New York markets. If you talk 50 to 100 of one style, to make the lay out of cloth and cutting easy, the maker becomes interested at once—and from \$3.00 to \$6.00 can be cut off each garment. They are made for you in the sizes, colors and cloths you want. New and crisp and the last fashion.

- These 200 Suits For Sale. No. 1**

- Sale No. 2. More Good Luck**
- Thursday one of New York's Best Manufacturers wrote us he had 60 beautiful SUITS and COATS (Samples) to close out at a low price—assorted sizes, not all one size as samples often are. Telegrams and long distance telephoning brought them to our store this morning at 40% LESS THAN THE MAKER'S
- FIRST PRICES TO US.** They will be turned over to you at the same discount. At least come and examine the tailoring, style and material of these garments.
