RE-ELECT PRESIDENT OF WEDNESDAY CLUB

Mrs. Edwin J. Decevee Will Head Musical Organization For Another Year

MRS. EDWIN J. DECEVEE

At the annual election of officers held this morning by the Wednesday Club Mrs. Edwin J. Decevee, who has so successfully conducted the club affairs as president for the past year was unanimously re-elected.

The vice-president is Miss Mary B. Robinson; recording secretary, Mrs. Carl Willis Davis; corresponding secretary, Miss Lillian Bennethum; treasurer, Mrs. William L. Keller; leader of chorus, Miss Ruth Swope Conkling. Committees will be appointed later by Mrs. Decevee.

Last Night's Concert The concert was a most brilliant one to the excellent work which the members have done through the year. The club's new active members, three of whom participated in last night's program, added materially to the success of the working musical programs. Miss Laverty at the second piano in the suite by Raff showed fine technical ability in the octave passages. Miss Heicher's rendition of the "Carmen" was most artistic in interpretation and beauty of tone.

Another new member, Mrs. J. R. Henry, played Liszt's difficult "Tarentella" with consummate skill and an ease that proved her mastery of this composition's great technical demands. The work of the other members was most satisfactory and the chorus has never sung with such precision of attack and variety of tone color as in the four American Indian songs by Cadman.

Mrs. Frances M. Thurston of 1648 North Fourth street, and Mrs. Walter Lehner, of 1402 Penn street, are home after a trip to Philadelphia.

Mr. and Mrs. John Hahn, of Hahnton, gave an informal dinner last evening to Mrs. Joseph Hamlin of St. Paul, Minn.

Mrs. Max Gardner of State street is visiting her sister, Mrs. N. Schlessel in New York City.

W. H. Balsey has returned home to Altoona after attending the funeral of his sister, Mrs. Anna Balsey Metzger, in this city.

Miss Mary Lee and Miss Faith Lee, of Philadelphia, are guests of the Misses Orth at the State Hospital.

Mrs. Farley Gannett is home after a visit among relatives at Haverhill, Mass.

Mrs. James Crawford is the guest of relatives in Columbia.

Harry I. Horwitz of Pittsburgh is visiting Max Gardner at 1500 State street.

Miss Ruth Kirkup and Miss Fannie Hoy spent Tuesday and Wednesday with Columbia friends.

SENIOR AUXILIARY DANCE AT ST. ANDREW'S CHURCH An attractive Spring dance has been arranged by members of the Senior Auxiliary of St. Andrew's Protestant Episcopal Church, Nineteenth and Market streets, for Thursday evening, April 29. Dancing will be held in the gymnasium with music for a twenty-dance program by the Bowers orchestra.

The committee on arrangements comprises the Misses Ivy L. Jones, Margaret A. Pollock and Dorothy E. Stewart.

Seven Hundred People Attend Orchestra Concert A large and appreciative audience enjoyed the program presented by the Updegrave orchestra of twenty-five men in the Tech auditorium last evening, assisted by the following soloists: Newell Albright, pianist; George Sutton, baritone; Earle D. Rhoads, tenor; David M. Hefflinger, cornet, and Thornton N. Byer, violin. The concert was given under the auspices of the Reinhard Bible Class and the Reinhard Athletic Club, of the Pine Street Presbyterian Sunday School.

The most interesting number on the orchestral program was a descriptive idyl, "The Forge in the Forest," given with electrical effects. The first number of this suite, called "Midnight," was played in darkness. The lights came up a little for "Morning," and for the final part, "The Forge," an anvil was used which threw off sparks, adding realism to the idealistic effect of the music. This work of G. Weber-Knight, a violinist in the orchestra, was heartily applauded. George Sutton sang "Thy Sentinel Am I," by Michael Watson, and "The Yeoman's Wedding Song," by Poniatowski, as an encore. Thornton N. Byer showed complete mastery of the violin. Mr. Byer was accompanied by Miss Villa Baker. Mr. Rhoads and Mr. Hefflinger pleased the audience greatly with their numbers. Newell Albright captivated the audience with his excellent artistic work on the piano. The Steiff grand piano was used for the concert.

Hundreds of Skaters Throng Green Street Every Fair Evening

Persons who have observed the manner in which West End residents have turned Green street, between Munch and MacKay, into a great recreation park are considering the advisability of asking Mayor Royal to order the street closed to wagon traffic between the points named from 6 to 9 in the evening.

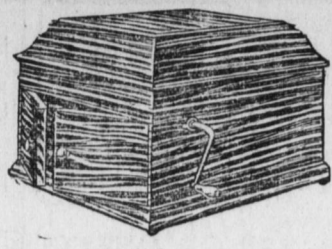

Hundreds of people who have no playgrounds uptown have taken up roller-skating as an amusement and the wonderfully fine stretch of asphalt on Green street has been voted unanimously as the ideal place for that kind of sport. Every evening from 200 to 250 people congregated there and the street is crowded almost from curb to curb.

Three who would like to see wagons and automobiles barred during the "skating hours" base their desires on the ground that if something of the sort is not done a serious accident may occur, and it is not right to deprive the skaters of their fun and exercise.

Witmer, Bair & Witmer Will Hold Special Sale

Witmer, Bair and Witmer, the well-known Ladies' Cloak Store, 202 Walnut street, have arranged for a special sale of ladies' coats and suits, beginning tomorrow morning, at 9 o'clock. Hundreds of new garments purchased this week at special price concessions have been brought to the store, and all will be included in the event. Full particulars regarding the sale will be found in the store's advertisement on another page of this paper.

Victor Victrolas by far the most popular music

Ever stop to think how many Victrolas there are in the homes of this country?

Or to be more explicit, this city?

Not hard to understand that they must have struck the popular chord with the people, is it?

And just as soon as you have studied the vast number of musical wants that the Victrola fills; you will want one in your home. Better have our clerks tell you all about their advantages, and how you can have one at once, and pay for it on easy terms.

Well-Groomed Women Remove Hair with El Rado

For women who wish to be correctly and tastefully gowned El Rado, the Sanitary Liquid Hair Remover, has become an important toilet necessity. It is essential that the hair be removed from under the arms if the stylish, sleeveless evening gowns, or the sheer, transparent blouses are to be worn without embarrassment. Observe the women in the ball-room, on the stage, and in the fashionable restaurants. Any form of cutting or shaving undesirable hair should be carefully avoided, as this not only increases the growth but coarsens it more and more. El Rado removes hair from the face, the neck or arms for a much longer period, and instead of coarsening the hair it becomes finer with each application. All you have to do is saturate the hair thoroughly with a little El Rado, and in a few moments the hair becomes harmlessly dissolved. You then wash off with some plain water and the hair is all gone, while the skin is left in a perfectly smooth, clear condition. El Rado is sold in 5c and \$1.00 sizes at leading Drug and Department stores with the distinct understanding that the money is to be refunded if not satisfactory. Try El Rado on your arm to-day. Take nothing else. If you prefer we will gladly fill your order by mail direct, in plain wrapper, if you will write enclosing stamps or coin. For full information and letters from prominent users merely send a postal. Pilem Mfg. Co., 47 East 23rd St., New York.

ARBOR DAY TREES IN CAPITOL'S PARK

Superintendent Rambo Has Six Trees Set Out by the Gardening Force of the Hill

Arbor Day was observed at the Capitol Park today by the planting of five white oak trees and one magnolia in the Capitol Park. There was no ceremony, although Superintendent S. B. Rambo planted one of the trees near the building.

Governor Brumbaugh visited the park during the morning and remarked that he hoped there would be a general planting of trees throughout the State. Numerous letters have been received at the office of the Governor endorsing the sentiments in the proclamation for Arbor Day.

State to Appeal. — The State will appeal to the Supreme Court from the decision of the Dauphin county court holding that the State cannot tax money retained by policy holders in mutual insurance companies as dividends. The case is that of the Penn Mutual Company, of Philadelphia, and the principle governs a number of state tax cases.

To Issue Call. — Governor Brumbaugh will issue his proclamation calling on citizens to lend their aid in fighting forest fires later in the day. The Governor drafted it last night. It will be issued in response to appeals for him to take action.

Fifty Arrests. — Fifty arrests were ordered in interior counties to-day for violation of the milk and cream laws as a result of the Spring round-up made by agents of Dairy and Food Commissioner Foust. A number of cases will be brought in Cumberland and Franklin counties.

Mr. McDevitt Here. — Harry S. McDevitt, of the State Board of Public Utilities, was here during to-day on business relating to the board.

Organizing Department. — Highway commissioner Cunningham spent to-day at the Highway Department factory organizing himself with the details of his work. He will be here to-morrow.

Attended Planting. — J. C. Williams, deputy commissioner of forestry, attended the tree planting in Wildwood park to-day.

Lebanon Armory. — Bids for the Lebanon Armory will be opened by the Army Board on May 11.

State Bids. — Superintendent Rambo will close bids on May 12 for furnishing supplies to the State departments.

Commission Adjourns. — The Public Service Commission adjourned to-day. It will meet again on Tuesday.

Justice in a Suit. — Attorney General Brown has awarded a writ of quo warranto for an action to be tried in the courts of Chester county to determine the right of Thompson Hudson to hold the office of justice of the peace at Hopewell, Chester county. The case presents some unusual features because it is alleged that Hudson was elected justice several years ago last year the borough of Hopewell charter was given up and it reverted to township government. The commission of Hudson is for the borough of Hopewell, which, it is claimed, does not exist.
