Carlisle Indians to Resume Baseball Game

Carlisle, Pa., April 26.—The Carlisle Indian School has returned to a place in its curriculum of sports after having nothing to do with activities on the diamond for five years. The new plan under which the government officials are trying out the game comprehends the organization of four equally representative ball clubs instead of one organization which would otherwise represent the school in intercollegiate contests.

TWO POPULAR HARRISBURG PLAYERS

Harrisburg players resumed practice this afternoon at Island Park. Manager J. Harry Messersmith may schedule a game for next Saturday in order to try out his players. Many local youngsters are working hard for a place on the team. Baseball fans who have been watching the local squad at practice are picking nicknames for the players. Two of the popular members are pictured above. "Shorty" Miller at the right, and Harry Rote on the left. They have been given the name of "The Twins." FINE RECORDS FOR SCHOLASTIC TEAMS

Tech and Academy Runners Chalk Up New Figures at Philadelphia

Tech's showing in the relay races at Philadelphia on Saturday brought much favorable comment. Steelton and Harrisburg Academy each drew fourth honors in their respective classes and chalked up fast time. As a result of these local achievements high school track and field enthusiasts look for a record meet when the state high schools compete here in May.

Tech ran in a class much higher in standard than last year. The time was 3:35 4-5. This was ten seconds lower than that made by Tech last May in the state high school meet. The Harrisburg Academy had four fast men in White, Stackpole, Holmes and Krall. This class made the relay mile in 3:41 3-5. Stackpole's running was a feature. Steelton High made good time. The championship winners in the meet were:

World's One-Mile Relay Record—Pennsylvania (Kauffman, Lockwood, Lippincott, Meredith). Time, 3:18. Former record, 3:18 1-5, made in 1911 by Irish-American A. C. "TWIN BEDS"

Home-loving husbands, who, after a hard day's work at the office, lean toward slippers and a cheerful grate fire, a lounging robe, the evening paper, a pipe and an easy chair, will understand the mental attitude of Harry Hawkins, the young husband in Selwyn and Co.'s production of that uproariously funny farce, "Twin Beds." Wives, who are left alone all day while the money-getter is on the job, will sympathize with Mrs. Hawkins, who wants to go out of an evening and seek and enjoy excitement to wear the feathers, to be seen and to see. No lawyer who laughs with and at "Twin Beds" can fail to imagine the complications which would arise between such divergent imaginations, and at the same time tickles it. Therein lies the subconscious enjoyment of the farce.

"RUNAWAY JUNE" AT THE VICTORIA TODAY

To-day we present another interesting piece of that great serial by George Randolph Chester, entitled, "Runaway June." To-day's offering is episode number thirteen. Each part becomes more interesting than the previous one. The story is based on the fact that getting married robs a woman of her independence and when "June" discovered that she was without funds two covered that she was without funds two compelled to depend on her husband she decided to run away. The story of her many experiences is beautifully told in the pictures every Monday. For to-morrow and Wednesday the Victoria presents that great serial by George Randolph Chester, entitled, "Three Weeks." This great play is taken from Ellmore Glynn's famous novel. The mystery that surrounds the play has been read by 80,000,000 of people and these exceptional pictures embody all the exciting adventure that made the play the most popular romance. There are five parts and 280 scenes in this remarkable production. Miss Madeline Traverser, who plays the star role, that of the temperamental queen, is conceded to be one of the most attractive screen stars, and Napoleon Hamilton, who plays the role of "Paul," is one of the most popular of the leading players. "Three Weeks" has been one of the most discussed plays during the past decade. Shown only at the Victoria to-morrow and Wednesday.—Advertisement.

HELP THE KIDS GET THEIR UNIFORMS

After constant releasing that has equipped them to give a far better program than a year ago, the Colonial Kids, Harrisburg's prize boys' band, will start out to-day on an engagement at the Colonial Theater. Wilmer and Vincent have turned the theater over to the youngsters for expenses, and all money that comes in at the box office over the cost of operation will go to the little fellows who are striving to create a uniform fund. There is a worthy object back of the under-taking, and the boys are hopeful that past records will go to smash for the sake of their band. There will be three other vaudeville acts on the bill, and the indication is that the show will come close to being the best that Colonial audiences have seen this season. There are mighty few cities in the country that have a boys' band of such merit as is possessed by the Colonial Kids and they deserve the support of music lovers.—Advertisement.

AMATEUR GAMES FURNISH GOOD SPORT

Two Ten-inning Battles Feature Saturday's Opening Program; Tech Hard Losers

Amateur baseball furnished much interest on Saturday. Local diamonds were all occupied during the afternoon and on some two games were played. There were several close games. The young players in most games displayed midseason form.

At Oberlin the Marysville team defeated Oberlin in a ten-inning game, score 4 to 3. Marysville hit the ball timely. Oberlin had but two hits. A ten-inning game was played in the East End, the Enola Country Club team losing to East End nine, score 4 to 3. Enola outbatted the locals, the latter having but two hits. Curtin Heights had a close call with Camp Hill, timely hits bringing the victory. The Dauphin league team gave the Baker A. A. of Steelton a hard bump, and the Vincennes A. C. had a batting matinee with Riverside Reserves. Steelton's Central League team walked all over the Methodist Club, knocking the ball off over the lot. The West End team had trouble with Hockersville, the latter winning by a score of 11 to 5. West End pitchers weakened in the sixth. The Hick-a-Thrifts had an easy time with the P. R. R. Elects, the latter not having had much practice. Two good games were played at Middletown, in which Highspire won over the Keener A. C., score 5 to 3, and at Duncannon, where the Middletown Central League team lost, score 2 to 1. Stanley A. C. opened the season with a victory over Albion A. C., score 14 to 6, while the Delaware A. C. snored under the Acogas, score 17 to 1. Brelsford A. C. triumphed over the Citizen Fire Company team in an easy victory.
