GARDEN EXPERT HAS PRAISE FOR CONTEST

That is what we are all aiming for,—for a bigger, more beautiful Harrisburg. That is what we will all benefit by, that is what we are all aiming for,—for a bigger, more beautiful Harrisburg.
 That is how O. P. Beckley, of the Mt. Pleasant Press, a member of the Berryhill Nurseries and an expert in horticulture, expressed himself today about the \$100 prize garden contest which ex-Postmaster E. J. Stackpole recently announced on behalf of the Telegraph.
 Mr. Beckley has always been foremost in advocating movements that tend to increase interest in the development of gardens and in discussing the Telegraph contest today he emphasized the importance of a city-wide appreciation of the movement.
 Saturday, May 1, the time limit for receiving applications for those who wish to enter the contest expires and by that time those who wish to go in for a prize must notify by postcard Miss M. W. Buehler, 232 North Second street. She is a member of the outdoor department of the Civic Club.
 While the planting time perhaps is not yet at hand, the time for planning the garden is here and the members of the outdoor department of the Civic Club point out the advisability of preparing the plans at once for a prize—sorting weeds, deciding upon the kind of flowers, the most suitable place for planting with reference to sun and shade, and the color scheme.
 Terms of Contest
 Do you know the terms and the prizes offered?
 All the entrant must do is to notify Miss Buehler of his or her intention to compete. Then go ahead and prepare the garden—be it front or rear

yard, office decoration, window box or porch. No limit to age, race, sex or color is provided. Anybody can go on for it, for the purpose is to develop a "city beautiful."
 And here are the prizes:
 Yard, front or rear—First prize, \$25; second, \$10; third, \$5.
 Porch—First, \$15; second, \$5; third, \$3.
 Window box—First, \$10; second, \$3; third, \$1.
 Building decoration—First, \$10; second, \$5.
 Special—Best results under worst conditions, \$3; five prizes to be awarded at discretion of committee; \$1 each.
REV. MAY ELECTED CLASSIS PRESIDENT
 [Continued from First Page.]
 Lowe, assistant clerk. Other officers will be elected on Tuesday just before the session closes.
 This morning and afternoon the time was spent in reading parochial reports. More than forty pastors from all parts of Dauphin and Lancaster counties presented reports on the work of the respective churches, each one showing an increased activity in church work in all branches.
 The Rev. J. Stewart Cramer, of Lancaster, assisted by the Rev. J. H. Pannebecker, of Columbia, conducted the communion services this morning following the reading of the reports.
 Committees Appointed
 The Rev. H. M. J. Kline, of Franklin and Marshall College, will speak this evening in the church on "John Huss, the Reformer." The following committees were appointed this morning: Religious service, the Revs. Harry Nelson Bassler and Homer S. May and M. S. Klipp; eastern synod minutes, the Revs. W. P. Lulliter, Charles A. Huyette and Elder J. G. P. Raub; minutes of general synod, the Revs. W. S. Cramer, J. H. Watts and Elder John W. Apple; overtures, the Revs. H. S. Hillegas, George P. Roemer and Elder E. H. Mengle; examination and licensure, the Revs. J. H. Pannebecker, George S. Butz, George A. Whitmore and Elders H. L. Wise and E. P. Sayre; missionary, the Revs. E. N. Kremer, R. L. Bair and Elder A. B. Bausman; benevolent institutions, the Revs. E. W. Stonebraker, E. E. Senneker, George W. Hartman; nominations, the Rev. George W. Hartman,

P. R. R. STATION TO BE GREATLY CHANGED

[Continued from First Page.]
 point for the reason that Harrisburg is regarded in railroad circles as one of the best distributing points in the whole country. Few people realize the importance of the transfer depot to the city or its future possibilities.
 Its function is to receive cars of freight made up at Pittsburgh, Chicago, Philadelphia, New York, Cincinnati, Cleveland, Indianapolis and 109 other points, remove their contents and reclassify them so that whole carloads may be made up to ship to 140 other central points throughout the country where the carloads are again broken up and shipped as local freight to minor points or distributed at once to the consignees.
 For instance, a carload of small articles for a hundred different points to the north, south, east and west to the west of Harrisburg is made up by some large Chicago shipper. This car is consigned to the Harrisburg freight transfer, where it is opened and its contents distributed among cars for shipment to the various points designated. One car will contain nothing but Baltimore goods, another nothing but Lancaster goods, another nothing but York goods, and so on. Goods to smaller stations are included in carload lots to central points and forwarded from there as local freight.

END OF HOT WAVE NOT YET IN SIGHT

[Continued from First Page.]
 During the height of the storm a bolt descended on the home of S. H. Rutherford at Paxtang. Shingles were torn from the roof and the shock and crash were felt and heard for blocks. Several trees were damaged.
Quenches Forest Fire
 The storm gattered in the west and shortly after 7 o'clock started on its raid. The mountains north of Dauphin abated it away from the river and it passed to the east of this city. Paxtang was in the very center of its path.
 Ellendale Forge, in Stony Creek valley, six miles east of Dauphin, was the scene of a terrific hail storm. The

Bisurated Magnesia For Stomach Troubles
 In these days of almost universal indigestion, dyspepsia and other stomach trouble the recent announcement by a great specialist that pure bisurated magnesia is an almost infallible remedy for nearly all forms of stomach trouble will come as a welcome surprise to all sufferers. A teaspoonful of a little water immediately after eating, or whenever pain is felt, neutralizes the excess acid, and instantly stops the fermentation and pain. Those who use bisurated magnesia regularly for a week or two usually find that the trouble has entirely disappeared, and normal digestion is completely restored.
