Coach Is Necessary, Says Vivian Nickalls

Philadelphia, April 28.—"Athletic coaches at the University of Pennsylvania are doing as much as any professor to bring out the best in students." This is the answer of Vivian Nickalls, coach of the crew, to Assistant professor, Thomas D. O'Boiger's charge that athletic coaches, the "least desirable" element in the University, were back of the movement to have morning classes begin at 8 o'clock instead of 9 in order that athletes may have more time to practice.

In a letter to the Pennsylvania, a student newspaper, the crew coach yesterday said: "I have not written on the subject of 8 to 4 classes before because I considered it a matter best left to the undergraduates themselves. Mr. O'Boiger has chosen to write a letter published in Monday's issue, full of abuse of athletics and with groundless arguments against the 8 to 4 proposition."

PICTURE FIGHT ON; TEST FEDERAL LAW

Seek Permission to Give Exhibitions; Films Are Not For Sale, Is Announcement

Newark, April 28.—In the effort to have the Willard-Johnson fight pictures shown in the United States, owners of the picture right started a legal battle yesterday. It is to be a fight to a finish.

The first step preliminary to the beginning of the legal battle was taken here yesterday, when Mr. Towne made a formal demand upon the collector of the Port that the pictures be admitted. Refusal was given on the ground that the Federal statutes forbade it.

Mr. Towne then served notice that he would apply to Judge Thomas G. Haight in the United States District Court on Friday for an injunction restraining the collector from refusing to admit the pictures. It is expected that argument will be heard about a week later and that the applicants will contend that the law barring the pictures is unconstitutional.

Mr. Towne said that his application for an injunction would set forth that the owner desires to bring the pictures into this country not for sale but for exhibition by himself. He said it would be admitted that they are films of a prizefight, not of a boxing bout.
