Here are relication of joy, Bright dreams of the past, which she cannot destroy; and which come in the night time of the past. and bring back the features that loy used to wear;
Long, long be my heart with such memories filled;
Like the vase in which-roses have once been distilled.
You may break, you may shatter the vase, if you will,
But the scent of the roses will hang yound it still.

OBLIVION
See her fields are passing fair,
Rife with glowing color, where
All her popples nodding blow
Into crimson as they grow.
Wouldst thou breathe their fragrance

deep, Know their breath and cease to weep? How the south wind widening weaver Scarlet billows through the leaves;

Blows the wind of life so chill That it checks thy ardent will; Are there unfilled gaps that lean Lurking in the days between? Come, then, dream and breathe full deep. deep,
Share the poppies' nodding sleep.
