TWENTY-FIVE YEARS OF MOTHERS WORK

Bethany Organization Celebrates Miss Blanche McCormick and Silver Anniversary With Large Attendance

A record of achievement, such as is seldom heard of any like organization was presented last evening by Miss Rachel Pollock at the 25th anniversary of the Bethany Mothers' association, celebrated in Bethany chapel.

Sewing and knitting in the afternoon, preceded a supper and the evening's program included music, brief addresses and the superintendent's report.

noon, preceded a supper and the evening's program included music, brief addresses and the superintendent's report.

The association organized in 1890 with Mrs. Lewis Baxter, superintendent; Miss Ida Stewart, Miss Sara Stewart, Mrs. Foltz and Miss Mary Haideman, assistants. Miss Rachel Pollock was elected an assistant superintendent in 1892, afterward taking Mrs. Baxter's place. The following members of the first committee, one of the most efficient one could appoint, have served all these years: Miss Pollock, Mrs. Foltz, Miss Ida Stewart, Miss Sara Stewart, Mrs. Henry McCormick, Mrs. A. J. Herr, Mrs. E. Z. Gross, Mrs. D. W. Cox, Mrs. Henry M. Stine, Mrs. Edward Herr, Miss Fannie Eby, Mrs. Fred Coover, Miss Marie York, Mrs. Emma Trace, Miss Ellza McCormick, Mrs. William Rutherford, Mrs. J. Melly Jones, Mrs. F. M. Sourbeer, Mrs. Thomas McCamant, Mrs. S. A. Hench, Mrs. John Warden, Mrs. Isenberg, Mrs. Taggert, Mrs. 4. P. Dare and Mrs. M. B. Tate.

The Rev. J. Newton Armstrong was the Bethany pastor at the time, and much interested in the Mothers' work, as have been his successors, the Rev. Mr. Howell, Mr. Cunningham, Mr. Benson and J. M. Warden. The Rev. Dr. George S. Cambers, pastor of the Pine Street Presbyterian Church, who died in 1911 was a most earnest and devoted friend of the association, which feels that the new pastors, the Rev. D. Lewis S. Mudge and the Rev. J. S. Armentrout will be as deeply interested as they become more acquainted with this work.

Among the brightest spots in the long record are days spent at Rose-garden with Mrs. Henry McCornick, receptions given to the ministers by the Mothers, and the successful fighting of a proposed saloon to be opened at Eleventh and Herr streets. The superintendent, with fifty women went to the courthouse and told what liquor sold there would mean to their homes and families and the license was refused.

Big Disasters Narrowly **Averted Along Pacific** Coast During Storm

By Associated Press

San Francisco, Cal., May 1.-Three hundred passengers on the steamer Harvard, en route from San Pedro to San Francisco, whose lives were in danger when the vessel was struck by a giant wave that badly damaged the second deck, were congratulating themselves to-day on their safe return to port. Tons of water flowed through

the mere to day on their sare return to port. Tons of water flowed through the gap opened by the wave and staterooms were partially flooded. The passengers were thrown into a panish and the Harvard was forced to put back to San Pedro.

Several vessels due to arrive yesterday had not put in an appearance early to-day, having been driven far out to sea by the storm of the last three days. Fears are entertained for the safety of the Norwegian steel ship Aggi. The ship was in tow of the steamer Edgar H. Vance, which was forced by the heavy seas to cut loose, leaving the Aggi to battle with the heavy storm.

The steamer Northern Pacific, from Astoria to San Francisco, carrying 150 passengers, was compelled to heave to off Point Arena, both her steam and steering gear having been disabled. She sent a wireless message for a tug to stand by and to-day was proceeding slowly toward this port.
