SEASON LOOKS GOOD TO LEAGUE LEADERS

Central Officials and Managers Predict Bright Future; Strong Teams

Unfavorable weather conditions threatened to put a crimp in to-day's opening in Central Pennsylvania League. In the event of a postponement, arrangements will be made to have twilight games played next week. The programs arranged for to-day may be carried over until a later date. The line-up of the teams this year include some former Tri-State stars. Kid Stricker was scheduled to pitch for New Cumberland this afternoon. Officials and managers of the teams are of the opinion that the league will furnish great sport this season. They expressed themselves as follows after the recent meeting at Hershey. President Frank Stees, Steelton: "The outlook for the coming season is encouraging. We are not afraid of the Harrisburg Independent Club injuring our patronage. I predict a great year for the Central Pennsylvania League."

FIREMEN'S LEAGUE TO MEET NEXT WEEK

Eight Companies Have Teams in the Field; Silver Cup and Medals For Winners

With eight of the local fire companies in the baseball game, plans will start next week for the organization of a league. It is the intention to arrange a regular schedule and to present a silver cup to the winner. Another plan is to give every member of the winning team a medal. The schedule will probably call for a three game series between the companies. Another plan suggested is for an elimination schedule, teams to drop out after losing a certain number of games. The meeting for the organization of the league will be held in the Friendship firehouse. Teams now in the field are the Friendship, Hope, Citizen, Washington, Paxton, Good Will, Susquehanna and Shamrock. The Hope team started practice yesterday with a large squad of candidates. A strong line-up is assured. The Hope pitching staff is considered strong. Here is the team: Charles Price, left field; Charles Blessing, right field and manager; Fred Goodyear, second base; Frank Kindler, short stop; Albert Meahaff, second base and captain; William Windsor, III, first base; L. McCord, C. Schrum, catchers; Chester Gilden, Sowers, Olsen and Maley, pitchers.

"SECOND TY COBB" CAUSE OF NEW FIGHT OF FEDERAL LEAGUE AND ORGANIZED BASEBALL

MANAGER STALLING STALLINGS BOSTON BRAVES

BENNY KAUFF

MANAGER MCGRAW of the N.Y. GIANTS

Benny Kauff, crack outfielder of the Brooklyn Federal League Club, called often the "Second Ty Cobb," has been the cause of another stir in the baseball world, and his action in joining the New York Giants may lead to another legal fight between the new league and organized baseball. Kauff, who is one of the greatest ball players in the country, suddenly appeared at the Polo Grounds, New York, Thursday, April 29, and was signed by John J. McGraw, manager of the Giants. He was sent out into the field for the game with the Boston Braves in place of Jim Thorpe, the Indian, who it was learned at the time had just been sold to the Jersey City Club of the International League. George Stallings, manager of the Boston club, protested, and then called his men off the field. "Kauff," said he, "is the property of the Brooklyn Federal League club, and he has no right to play in the National League."

The umpire ordered the Boston men to play, and on their refusal forfeited the game to the Giants. Later what McGraw called an exhibition game was played without Kauff in the line-up. Robert E. Ward, chief financial backer of the Federal League and owner of the Brooklyn club, was at a white heat when he learned the Giants had signed Kauff. He declared war in these words: "Kauff has a contract with the Brooklyn Federal League for the next three years. If the Giants believe otherwise we will fight them to the last ditch. If the Giants or any other club in organized baseball want war they will get it. If the Kauff matter can be construed as a call to arms organized baseball will regret that they ever sounded the call. We will get out and take players who have ironclad contracts with clubs in the National and American Leagues and will fight to the limit to retain them."

UPPER END LEAGUE IS NOW CERTAINTY

HARRY BREEN DRIVES BRITISH WAR CAR

Barney Oldfield's Famous Mechanic Under Shell Fire in European Conflict

General Headquarters, British Army, France, May 1.—Barney Oldfield's old mechanic, Harry Breen, who has swept around the track with him on the Indianapolis speedway and elsewhere in the United States, is now driving a car for a British staff officer at the front. He says the excitement of being under shell fire has the automobile racing game beaten. Breen hails from Pittsburgh, where he was born forty-one years ago of a Danish mother and British father. The British father was the lever that got Breen into the British army. Leaving a prosperous garage business in Pittsburgh, he hurried to England and enlisted. His qualities as expert mechanic and skilful, fearless driver insured instant service at general headquarters, where such men are at a premium. The superb country roads of France, which are kept in a remarkable state of fitness notwithstanding the war, gives Breen an opportunity for imagining he is still with Oldfield on the track trying to break a record.

MAIL ENTRY BLANKS FOR STATE HIGH MEET

Harrisburg Track Athletic Committee Announces List of Special Prizes

Entry blanks for the eighth annual state high school track meet were mailed to-day to every high school in Pennsylvania. The big event takes place Saturday, May 22, on Municipal Field, Island Park. Entries must be in not later than 10 o'clock Monday, May 17. The Harrisburg Track Athletic Committee anticipates a record meet this year because of the adoption of uniform rules by the Interscholastic Association of Pennsylvania, which hopes to be in control of all athletics in the near future.

A letter calling attention to the success of previous meets accompanied the entry blanks. The prizes offered by the committee include a shield of new design, mounted in silver, upon which the name of the school scoring the greatest number of points in the meet will be inscribed. This shield will be contested for annually for five years and becomes the permanent property of the school winning it the greatest number of times. The best shield was awarded to the Reading high school and will be turned over to Reading at the coming meet by Tech high, winner of last season's meet.

In addition to the shield a large silver loving cup will be awarded the team winning the meet. To be held permanently; a bronze cup to the team having the second highest number of points, and a beautiful silver cup to the individual scoring the highest number of points. Gold, silver and bronze medals also go to winners in each event.
