UMPIRE HITS HERZOG

Arrests Follow Fight on St. Louis Baseball Field Special to The Telegraph St. Louis, Mo., May 3.—Umpire Rigger and Manager Higgins of Cincinnati, fought on the National League field Saturday and later caused each other's arrest on charges of disturbing the peace. In the seventh inning Higgins, of St. Louis, put Leach, of Cincinnati, out at second by the hidden ball trick. Herzog disputed Rigger's decision and was ordered off the field. A few minutes later he returned and, according to Rigger, insulted the umpire. Rigger tore off his mask and struck Herzog in the face with it. The two struggled until their fellow players and twelve policemen separated them. Herzog suffered a bleeding nose and discolored eye. Rigger was unmarked.

CENTRAL LEAGUE HAS SUCCESSFUL START

Attendance Large; Amateurs Were Prominent on Saturday; Brelsford Plays Great Game

With the opening of the Central League season Saturday, baseball took a big jump in popularity. While it has been predicted that the league games will put a crimp in amateur contests, twenty-two amateur and semi-professional games were played in Harrisburg and vicinity on Saturday. There were three league games, and two contests in the series between the local fire companies. Winners in the Central League were New Cumberland, Lebanon and Middletown. Two games were one-sided. The best contest was that at Lebanon with Steelton. The average attendance was 800. Steelton showed form that was pleasing to the many fans who went to Lebanon from Steelton. Lebanon is considered a much stronger aggregation than Central League had last season. Kid Stricker Wins New Cumberland put up a great game against Hershey, winning by a

Sing Sing Ball Players Do Not Heed Protests

New York, May 3.—Warden Osborne's receipt of a letter from the Trustees of Ossining protesting against Sunday baseball games at Sing Sing did not interfere with the game of the Mutual Welfare League yesterday. The prison nine played the Freezer Club from this city. The latter won 7 to 5. Incidentally the prison pitcher "beamed" seven opposing players with the ball. The fans assert he was stealing a hit into left field that looked good for a home run. The prison catcher dropped the ball after two were out in the fifth inning while trying to nail a man who was stealing home, and that started a rally that won for the outsiders. All of the convicts' runs were made in the fourth inning. They blamed their defeat on the fact that shortstop "Sunny" was out of the game with a sprained ankle. Warden Osborne was not present. About fifty outsiders witnessed the game. Each of the visiting nine was permitted to have three spectators. The residents of Ossining have complained of the cheering and "rooting" at the games. There was less cheering yesterday by the convicts, but of course they lost. KOLHEMAINEN'S NEW RECORD New York, May 3.—Hannes Kolheimen, Olympic championship runner, broke another record yesterday in the 15-mile handicap race, at the games of the Monument Athletic Club, Celtic Park, when he made the distance in 1 hour, 23 minutes, 8 1/2 seconds. The record was 1 hour, 25 minutes, 15 minutes, made by James F. Crowley, in 1909.

Former Secretary Says U. S. Navy Is Disrupted

Boston, Mass., May 3.—Ex-Secretary of the Navy George Von L. Meyer last night issued a statement reviewing the open letter from Secretary of the Navy Daniels to President Garfield, of Williams College, concerning the present status of the naval equipment of the United States. Mr. Meyer says Secretary Daniels' discussion of this subject "leaves much to be desired in the way of information," and that the organization of the navy has been disrupted. "The war and the campaign of education on national defense," the statement says, "has influenced Congress in making more liberal appropriations, but the third battleship Mr. Daniels obtained was made possible by the sale of the Idaho and Mississippi to Greece. It should also be noted that the Indiana, Massachusetts and Oregon can no longer be included in our tonnage list; that the Iowa, Kearsarge, Kentucky and Alabama will reach their age limit in 1916, while the Illinois, Wisconsin, Maine, Ohio and Missouri are due for replacement by 1920, as battleships become obsolete in twenty years. It is obvious, therefore, that a program of two battleships with no scout cruisers and no battle cruisers will lead nowhere."
