Women Should Take Warning

If the statement made at a New York Assembly of women, that healthy American women are so rare that they are almost extinct, is true, it is time for the women of American to take warning and look to their health. It may be headaches, backaches, dragging down pains, nervoushealth. It may be headaches, backaches, dragging down pains, nervousness, mental depression that are tell-tale symptoms of some organic derangement for which Lydia E. Pinkham's Vegetable Compound—a simple remedy made from roots and herbsis a specific and may be relied upon to restore women to a healthy normal condition.—Advertisement.

FIERCE FIGHTING CONTINUES

IN DARDANELLES, IS REPORT

By Associated Press

London, May 4—A Tenedos dispatch to the Daily News under Monday's date says:

"Fierce fighting continues day and night in the Dardanelles. The ships of the fleet are working in shifts and the bombardment is incessant. In spite of desperate resistance we have made steady progress both on land and sea. The most vital points of the enemy's defenses now are strongly invested."
