#### Russian Reports Reduce German Claims in East

London, May 5, 1.47 P. M.—The Russian reports concerning the recent fighting in Western Galicia are being accepted by British military critics as reducing the German claims of victory in this battle to more just proportions. Following his custom Grand Duke Nicholas commander-in-chief in the field, has not hesitated to admit a reverse and confirms the German statement that his antagonists have succeeded in break across the Dunajec river. But the Grand Duke adds that he is holding them fact on the bank of the stream, and he seems to intimate that has little anxiety concerning the ultimate outcome of the fierce fighting which has been going on this region for a week.
