

BUSINESS MAN COULD NOT WORK FROM ECZEMA

R. F. McKee, 209 Boas Street, Says Hands Became Raw HE TELLS OF CURE

Harrisburg, Pa. Herewith submit a voluntary testimonial to the value of the 3 D's for skin trouble. Three years ago eczema developed on my left wrist and hand.

Finally the affected surface became entirely raw and was exceedingly painful and interfered with my work to the extent of causing me to remain away from my work, at different periods.

I tried remedies prescribed by a physician and a number of patent medicines with but little relief and no permanent benefit.

Finally I told my troubles to a friend of mine, a Harrisburg druggist and he at once recommended the D. D. D. remedy to me.

I waited until I was satisfied that a cure had been effected before writing you and I trust that if there are any persons suffering in the way I did that they will use the D. D. D. prescription and obtain the cure that I did.

Respectfully, R. F. McKee, 209 Boas Street.

So confident are we that the D. D. D. Prescription will reach your case too, that if the very first full size bottle fails to do exactly as is claimed, it will not cost you a cent.

George A. Gorgas, druggist.—Advertisement.

WEEKLY HOLIDAY FOR WOMEN IN QUESTION

Senator W. W. Smith Introduces Bill to Amend the Employment Law

Senator W. W. Smith, Philadelphia, introduced in the Senate to-day a bill designed to amend the present law relating to the hours of employment for women so as to permit the Department of Labor and Industry to subdivide the one day of rest in seven into two half days for certain classes of work.

That the one day of holiday in seven may be subdivided into two days of twelve hours each for women employees in hotels, boarding houses and in charitable, educational and religious institutions at the discretion of the Industrial Board of the Department of Labor and Industry; provided that if it should be hereafter held by the courts of this Commonwealth that the power therein sought to be granted to the said board is for any reason invalid such reading shall not be taken in any case to effect or impair the remaining provisions of this section.

Attempt to Recommit An attempt to send back to committee the House bill to consolidate the Eastern and Western Penitentiaries failed in the Senate to-day.

Senator Buckman, of Bucks, moved that the measure be recommitted to the committee on appropriations. This was opposed by Senator Thompson of Beaver, who said the motion was made with the purpose of killing the bill.

A division was called for and when it was announced that less than a quorum had voted, Senator Buckman withdrew his motion.

Workmen's Compensation Is Back in Committee

The workmen's compensation bills, which were read the second time in the Senate to-day, were recommitted to the committee on corporations. They will be amended and reported out again next week for final passage.

"EQUAL RIGHTS" IN COMMITTEE

The House bill designed to give equal rights to all persons regardless of race, color or creed, in places of public accommodation and amusement, was reported to the Senate to-day and a few minutes later it was again sent back to committee.

Wright to Manufacture Aeroplane Stabilizers

Dayton, Ohio, May 6.—Orville Wright's stabilizer for aeroplanes will make them as safe as automobiles, in the opinion of the inventor.

Orders for armored military aeroplanes have so taxed the capacity of the Dayton factory that the stabilizers commercially have been left to more favorable times, says Mr. Wright.

MEMBERS OF MECHANICSBURG ANNUAL BIRTHDAY PARTY.

SIX MEN CELEBRATE MAY 6 AS BIRTHDAY

For Twenty-one Years Mechanicburg Men Have Been Observing Joint Anniversary

Special to The Telegraph

Mechanicburg, Pa., May 6.—Of unusual interest is the birthday dinner given this evening at the home of Walter B. Zacharias, at Winding Hill, about two miles south of town, when his guests will be five men, whose birthdays, including his own, all occur on May 6, of various ages.

They are George Zacharias, John Atticks, John C. Reeser, William M. Koller, S. Harper Myers, ranging in age from 80 to 28 years.

The birthday celebration in this manner is an annual event, and was instituted by the late George W. Hauck and has been regularly observed for the past twenty-one years.

Originally the members were George W. Hauck and Dick Charles, both deceased; George Zacharias, John Atticks and John C. Reeser; later William M. Koller joined the list; followed by Walter Zacharias and S. Harper Myers.

Relative to the celebration is a touching incident in the fact that the deceased members are not forgotten, and on the morning of May 6, annually, a floral emblem is placed on the grave of each, in token of a cherished friendship of bygone days.

nothing else but elephants, clowns, popcorn and toy balloons.

Dressed in her best, she was out on the front porch early this morning waiting for the first appearance of that greasy-looking Italian, who brings delight to all childish hearts—the balloonman.

"Oh, here he comes!" she cried in childish glee to a playmate, as the balloonman and his string of little gas bags hove in sight on the other side of the street.

LATE WAR NEWS

Turks Deny Allies' Army Is Occupying Gallipoli

Constantinople, May 5, via Wireless to Berlin and London, May 6, 7:59 A. M.—The following official statement regarding the operations in the Dardanelles was issued this afternoon by the Turkish war office: "The unfavorable situation of the enemy in the Dardanelles remains unchanged. Reports from Athens regarding the occupation of Gallipoli and Nagara by landing forces are untrue."

Armenians Arrested in Turkey in Large Numbers

London, May 6.—A Reuter's dispatch from Sofia says that two Armenian journalists who have arrived there declare that Armenians are being arrested in large numbers in Turkey. The reason for this as given by Talaat Bey, the Turkish minister of the interior, is that the Armenians in Van are urging the population of the town to revolt.

TURKS ATTACK ALLIES

London, May 6.—The Turks, considerably reinforced, attacked the allies camp at Krithia early Tuesday morning, but were repulsed leaving 1,500 dead according to advices from Mitylene received by the Exchange Telegraph company from its Athens correspondent. The allies have advanced into the interior, the dispatch says, and now occupy positions of great strategic importance.

TURKISH ARMY DEFEATED

London, May 6.—A Petrograd dispatch to the Reuter Telegram Company says: Dispatches have been received here on the defeat by the Russians of a Turkish army corps in the Caucasus. An effort was made by 30,000 Turks, under Djavid Pasha, to invade the Dilman-Khori region, which the Russians occupied.

Japs Leaving China; Chinese Indifferent

Mukden, via Peking, May 6.—The Japanese consular orders issued May 3 resulted in a general flight of Japanese from Mukden the following day. The value of a gold yen increased thirty silver cents and a rich harvest was reaped by exchange brokers. All Japanese civilians except few bankers and railway officials now have left the city.

Hankow, via Peking, May 6.—The Japanese barracks here have been prepared for a siege. Following the consul's advice many Japanese have left the city although the Chinese appear wholly indifferent. Several prominent native residents were entertained at dinner last night by some of the leading citizens.
