**ADAMS GETS ONLY NEW HIGHWAY LINE**

**Rudisill Bill For Improvement of Historic Highway Passes the Lower Branch**

Adams county may get the only new State road route to be authorized this session. The Rudisill bill, to make a state highway of the road from Gettysburg to near the Maryland line, was passed, 119 to 21, after a fight.

H. I. Wilson, Jefferson, objected to it because it was the policy not to add to the highway system. Mr. Rudisill explained that the road was only four miles long and would connect with a road to Washington. He said the road was historic, as it had been used by Union forces going to the battle. Mr. Baldwin took up the cudgels for the bill and it went through.

The Hackett bill, fixing sixty-three hours as the maximum for employment of women and girls in hotels, restaurants, boarding houses and religious institutions, was passed by 114 to 43. Mr. Maurer, Berks, opposed it and Messrs. Kitts, Erie, and Shaffer, Columbia.

The Ramsey bill, authorizing Judges to place children in custody of their mothers and to make orders for maintenance by counties, passed finally.

The House sustained a point of order against the constitutionality of the bill regulating hours of signalmen, towermen, telegraphers and certain other railroad employees. It was raised by H. I. Wilson, Jefferson.

The bill providing that school directors shall permit use of school grounds and buildings for civic, social, recreational and other purposes, was defeated. The House also defeated the bill regulating the practice in trials on actions for debt.

By a vote of 104 to 23 the House defeated the bill requiring railroads to pay for damages caused by fires within 100 feet of rights of way outside of cities and boroughs. It was drafted by the Public Service Commission.

The Swartz Public Service Commission bill was amended to correct typographical errors.

The House passed finally: Amending State departmental supply contract act to relieve Governor from signing vouchers and to expedite settlements.

Regulating detention and trial of juvenile offenders.

Establishing boards of recreation in second and third class cities, boroughs and first class towns.

Defining relations between coal operators and foremen, a measure designed to bring anthracite miners under the compensation act.

Continuing public Law commission.

Establishing a system of apportioning funds for highway construction and maintenance according to mileage of counties.

Just before adjournment the House passed finally seventeen appropriation bills and the resolution directing the Board of Public Charities to report to the next Legislature a plan whereby the State can care for all dependents.

**Borough Code Goes to Governor Today**

After a statement by Mr. McVicar, Allegheny, the House last night concurred in the Senate amendments to the borough code and it goes to the Governor for action. This code is the first of the three prepared by the Legislative Reference Bureau to be passed finally. The taxation and corporation codes are in House committees. The general repealer is in the Senate, having passed the House.

The House also concurred in the Senate resolution providing for inquiry into the feasibility of a ship canal from the Delaware river to the Atlantic ocean.

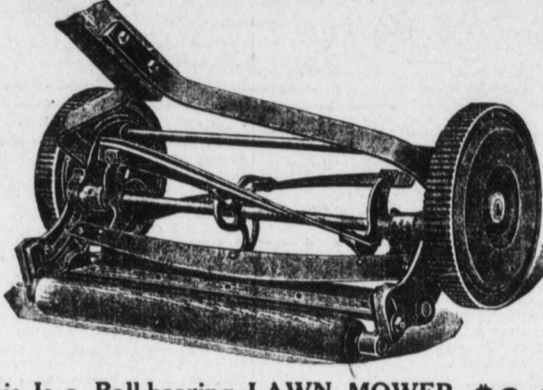

**PLAN FESTIVAL**

The Ladies' Aid Society of the Middletown Presbyterian Church last night completed plans for an ice cream and strawberry festival. It will be held June 19 in the Rewalt barn. The meeting last night was held at the home of Mrs. Ed Shireman in Catherine street.

**Swish! Corns Gone! We Use "GETS IT!"**

2 Seconds, 2 Drops—Corns Vanish!

For everybody with corns, there is in every drug store in the land one of the real wonders of the world, and that's "GETS IT!" It's the first and only corn-cure ever known that removes any and every corn or callus without fail, without fusing with thick bandages, toe harnesses, corn-swelling salves, irritating ointments. It's applied in 2 seconds—bing, bing—2 drops, the work is done, the corn shrivels up, your corn agony ends and the corn leaves forever! All the limping, the pains that dart to your heart's core, the crucifixion of painful shoes, the agony of screeching corns, the danger of blood poison from making them bleed by using knives, razors and scissors—are gone at last! "GETS IT!" is the new way, the sure, simple, painless way. Try it for corns, calluses, warts and bunions.

"GETS IT!" is sold by druggists everywhere, or sent direct by E. Lawrence & Co., Chicago.—Advertisement.

**ELECTION BILLS BEFORE THE HOUSE**

**Highway Department Administration Bill Is Also Sent Out by the Committee**

The elections committee of the House last night reported favorably five election bills and five others are to be reported early next week. All have passed the Senate. The bills reported were: Eliminating from the uniform primary act the provision permitting candidates for President to place their names on the ballot and allowing candidates for delegate to national committees to place their presidential preference opposite their names on the ballot; giving the Republican party first column on the ballot because of polling largest vote; fixing all fall registration days in September; permitting candidates at partisan primaries having the same or similar surnames to have their occupations, occupations to have their petitions signed by persons who attack names on registration lists to pay witnesses when subpoenaed, and eliminating the requirement that petitions challenging nomination papers shall state specifically the matter objected to.

The bills remaining in the committee but which Senator McNichol, Philadelphia, says will be reported early next week, follow: Prohibiting fusion after the primaries; repealing the nonpartisan act so far as it relates to the election of judges; providing for the organization of new parties before the primaries; rotating the names of candidates in partisan elections by districts; compelling candidates for nominations to have their petitions signed by members of the party whose nomination is sought.

The Vore bill, permitting women watchers at the polls next November, when the suffrage constitutional amendment is to be passed upon by the electors, which was defeated yesterday, was not reconsidered by the Senate to-day. Senator Vore, however, has given his promise to have the measure placed on the calendar again and passed. This may be done next week.

The Sproul bill, providing wider powers in handling of working forces

of the Highway Commissioner, was among those reported to the House. Others included the resolution for the Second Regiment to participate in the Panama-Pacific Exposition, bills establishing employment bureau in the Department of Labor and Industry, regulating employment agencies and changing juvenile court laws.

The resolution for an investigation into the increased cost of anthracite coal alleged to be due to overcharges because of State tax was also reported.

**Patriotic Sons to Rally in This City Monday**

Final plans for the third annual rally of the camps of the Patriotic Order Sons of America of the Southern Dauphin district are being completed by the committees of arrangements.

The rally will be held next Monday evening in the rooms of Camp 639, Nineteenth and Berry streets, with Harry E. Zorger, district president, in charge. At least three hundred members of the order are expected to be present at the rally.

J. Calvin Strayer, of York, national vice-president, Professor George F. Dunkelberger, and the Rev. E. Victor Roland, pastor of Redeemer Lutheran Church, will be the principal speakers of the evening.

The degree team of Camp 8, one of the best in the State, will confer the degree upon a number of candidates, using impressive ceremonies. The remainder of the program will consist of musical numbers after which refreshments will be served.

**THE JOY OF SPRING**

I worry through the winter's cold  
An' feelin' purty bum, an' old,  
An' mope around, cooped up indoor,  
Sufferin' my limbs an' soul an' nose.  
But when the buds begin to swell  
An' Robins try their joy to tell,  
I shakin' out 'bout my joy of Spring  
An' plumb ferkit my rheumatiz.

With dogs a-laughin' in my goats  
An' choiera among my shoats,  
An' then the mortgage comin' due,  
I feel right smart upso, an' blue,  
I see my hair a-turnin' gray  
An' figger I ain't long to stay,  
Then, when I git a whiff of Spring  
I feel jest like a colt, by jing!

Sometimes I think my cup is full;  
The load seems more than I can pull,  
An' Fate jest seems to wear a frown  
When some deep trouble weighs me down.

But when the posies burst in bloom  
An' all my nostrils with perfume,  
I wipe my chin; pull down my vest,  
An' knock that trouble galley-west.

With chattel notes a-comin' due,  
An' taxes loomin' monstrous, too,  
It makes a feller squirm an' twist  
To keep the home supplied with grist.  
As I go joggin' o'er the bumps  
I do sometimes git in the dumps,  
But when Spring git me in her grip  
I jest feel glad, an' let'er rip.

—H. J. Williams in Farm Life.

**MUNICIPAL LEAGUE TO MEET**

Problems pertaining to civic improvement generally and some of the public improvement plans in particular will be discussed by the executive committee of the Municipal League at 1 o'clock to-morrow afternoon.

**IN BUSINESS FOR HIMSELF**  
J. R. Stubbinsky, for ten years associated with the Hub, has resigned to establish a men's furnishing store in Newark, N. J.

**ANNOUNCE SPEAKERS OF COMMENCEMENTS**

**Prominent Educators to Address Students of Tech and Central High Schools**

Educators of State-wide prominence will address the graduates of Central High, Technical High and the City Teachers' Training School at the annual commencement exercises.

Central High's commencement will be held in the Majestic Theater Friday afternoon, June 18. Professor A. W. Haas, of Muhlenberg College, will deliver the principal address. Devotional exercises will be in charge of the Rev. Dr. S. L. Mudge, pastor of Pine Street Presbyterian Church.

Dr. Bromley Smith, professor of rhetoric and oratory at Bucknell College will be the principal speaker at Tech's exercises, which will be held in the school auditorium, Thursday evening, June 17. The Rev. Dr. H. W. A. Hanson, pastor of Messiah Lutheran Church, will conduct devotional exercises.

Eighteen girls will be graduated from the City Teachers' Training School at the commencement exercises which will be held Friday evening, May 28. Dr. W. M. Davidson, superintendent of the public schools of Pittsburgh, will be the speaker. Dr. C. A. Smucker, pastor of Stevens Memorial Methodist Church will conduct the devotional services.

Additional details are being worked out by the school board.

**Central Seniors Planning to Take Trip in June**

Following the election of Clarence Cooper as president of the senior class at the Central high school, plans have been started for a trip for the class. It is expected that a meeting will be called within a week or two to take definite action on the matter. It is probable that a committee will be appointed to choose a place to go and also make arrangements for the class. The class will also select a pastor to preach the baccalaureate sermon. Individual pictures of the members of the class are being taken this week.

**Does Your Baby Weigh As Much As He Should?**

Are his little legs and arms as plump as they should be? Are his cheeks rosy and his eyes sparkling with health? When your baby is six months old he should weigh twice as much as he did when born. At the end of his first year he should weigh three times his weight at birth.

If your baby is getting proper nourishment, the right amount of sleep, exercise and fresh air, yet does not weigh as much as he should, there is probably something wrong with his food.

The best food for baby is mother's milk. But when that seems not enough, add one feeding a day of

**Nestlé's Food**

then make it two feedings a day; then three until the baby is entirely weaned on Nestlé's. Nestlé's

is the nearest thing there is to mother's milk. The basis of Nestlé's is pure cow's milk from sanitary dairies. The indigestible curd—meant for the calf's fourstomachs—is made soft and fleecy as in mother's milk, and the special baby needs, not in cow's milk, are added. To prepare, just add cold water and boil one minute.

Send the coupon for a free box of Nestlé's—enough for twelve feedings—and our book on the Care of Babies—both free.

**NESTLÉ'S FOOD COMPANY**  
Please send me FREE your book and trial package.
