

Anthracite Tax Bill Passes Second Reading in Senate, 50-50 Basis

The anthracite tax bill which provides for a 2 1/2 per cent. tax on the value of coal at the mines passed second reading in the Senate to-day after amendments had been put in the measure and then taken out. The hard coal miners put up a sharp and effective battle to have the bill passed as it came from the House and won. When the bill passed the House it provided that 50 per cent. of the tax money go to the State and the other fifty to the counties producing the coal. Governor Brumbaugh wanted the division to be 40 to the State and 40 to the counties in order to increase the revenues of the State. The administration offered to compromise at 35-45. This was not accepted and the bill was passed by the House 50-50.

STOP THE MISERY OF INDIGESTION

A Temperance Remedy That Ends Soreness, Belching, Heaviness, Heartburn and Dizziness

Dr. Pierce's Golden Medical Discovery has been so successful in the treatment of indigestion, that thousands of former sufferers owe their good health of to-day to its wonderful power, and testimonials prove it.

It arouses the little muscular fibers into activity and causes the gastric juice to thoroughly mix with the food you eat, simply because it supplies the stomach with pure, rich blood. It's weak, impure blood that causes stomach weakness. Get good blood through the use of Dr. Pierce's Golden Medical Discovery, and you will have no more indigestion.

It is the world's proved blood purifier. Start to take it to-day and before another day has passed, the impurities of the blood will begin to leave your body through the eliminative organs.

After a few days you will know by your steadier nerves, firmer step, keener mind, brighter eyes and clearer skin that the bad blood is passing out, and new, rich, pure blood is filling your veins and arteries.

The same good blood will cause pimples, acne, eczema, and all skin eruptions to dry up and disappear. Dr. Pierce's Golden Medical Discovery is the helpful remedy that nearly everyone needs. It contains no alcohol or narcotics of any kind. It cleanses the blood and every organ through which the blood flows is benefited. A NEW AND SMART WAIST.

A Variation that Suggests a Return of The Simple Shirt Waist.

By MAY MANTON

8572 Blouse with Turn Over Collar and Cuffs, 34 to 44 bust.

This is a waist that may fairly be taken as typical of what will be worn throughout the coming season, for while fancy blouses will have their place, there is a marked tendency toward the simple waist for simple occasions and this model is an exceptionally good one. Appropriately it can be made of crepe de chine or other simple silk as well as from linen and the cotton stuffs. The back is extended to give a yoke effect in front and the fronts themselves are just full enough to be becoming. The sleeves and collar are novel and they are interesting. In the illustration, one of the new cotton crepes is the material and the color is the sand that has taken such a hold upon popular fancy. Taffeta is used for waists of this kind as well as crepe de chine, and among the washable fabrics there is a wide and attractive variety.

For the medium size will be required 3 1/2 yds. of material 27 in. wide, 2 1/2 yds. 36, 1 1/2 yds. 44.

The pattern No. 8572 is cut in sizes for 34 to 44 bust measure. It will be mailed to any address by the Fashion Department of this paper, on receipt of ten cents. Bowman's sell May Manton Patterns.

8 Junior Girls Chosen For Oratorical Speeches

The preliminaries of the junior girls' oratorical contest at the Central high school were held last night in the school auditorium. Twenty girls participated. Mrs. Mabel Cronise Jones, Mrs. John W. Kelly and Miss Fannie Ely, acting in place of Mrs. William Henderson, were judges.

The following eight girls were chosen to take part in the final contest, Friday afternoon, May 21: Sarah Maloney, Jeanette Claster, Eva Selheimer, Lucile Smucker, Gertrude Wilson, Marjorie Hauser, Sarah Fraude and Cornelia Bruhn.

A feature of the contest to be held on Friday, May 21, will be special music by the various organizations of the junior class and the school orchestra.

According to one of the judges the contest last evening was equal to some of the ones in the colleges. Much credit was due, according to all of the judges, to Miss Annabel Swartz, who trained the girls for the preliminaries and will have charge of the work until the final contest. The prizes this year will be \$10, \$8 and \$2.50, to be given by A. Carson Stamm.

Turkish Trenches Are Filled With Bodies

Paris, May 13.—A Havas dispatch from Athens says: "An allied fleet re-entered the Dardanelles last night and bombarded the forts at Kilit Bahr, Chamak Kaleisi and Nagard. The bombardment was interrupted at 8 o'clock, but was resumed three hours later and is being continued."

"Although the Turks have been strongly reinforced, the bombardment from allied warships is causing them heavy losses, and they are steadily losing ground. Turkish trenches are filled with bodies."
